this book critically examines the development of the post authoritarian indonesian national armed forces tentara nasional indonesia military modernisation agenda and its impact towards civil military relations it offers an original analysis on various and interrelated subjects related to indonesia s defence development i e arms build up organisational development conduct of military operations other than war defence diplomacy and

defence economy these analyses offer a better understanding on the role played by the Indonesian military in undertaking a modernisation agenda and sustaining its political influence over the non defence sphere simultaneously each chapter contributor aims to examine the most recent development pertaining to their topic and the influence of civil military dynamics on their subject matter the book will be of interest to undergraduate and graduate students professionals and experts on southeast asian politics defence studies security studies and civil military relations

this report comes at a time when policy makers are challenged by the covid 19 crisis that is generating a profound reflection on economic and social well being before covid 19 hit Indonesia had experienced remarkable economic growth making substantial progress in poverty reduction and gains in employment however there are large differences in outcomes across Indonesian provinces which often reflect the quality of local infrastructure services education and jobs

with dense urban populations located in one of the most active tectonic belts in the world Indonesia is a hotspot for natural hazard risk this volume documents some of the recent advances made by earth scientists that contribute towards a better understanding of the geological hazards in the region

despite being long term hosts to refugee populations Indonesia Thailand and Malaysia are not yet part of the 1951 refugee convention in all three states refugees are regulated as discretionary humanitarian exceptions to immigration legislation with contributions from scholars within and outside the region this book promotes new thinking on protection of refugees and on resolving tensions between states actors and institutions in the region it evaluates the key concepts of sovereignty security and humanitarianism in this context the different bases of protection by state and non state actors and the meaning of responsibility and regionalism in southeast Asia

sharia compliance is the *raison d'être* of Islamic banks all of their instruments and activities should be based on sharia principles which unfortunately exposes them to greater risks than their conventional counterparts regulated under the dual banking system in Indonesia these include inconsistencies between fatwas unique reputational risks and inefficiencies in the regulatory framework governing Islamic banks this book critically examines the less studied issue of developing an Islamic banking regulatory and supervisory framework that considers the risk pressures faced by Islamic banks operations in an Indonesian financial sector dominated by conventional banks the book assesses the extent to which the global financial standards of the Basel accords have been followed by Islamic banks in Indonesia with respect to their regulation supervision and risk management to highlight the unresolved tensions in the multiple regulatory and supervisory institutions the book

proposes a middle ground approach that accommodates modification of the existing financial regulatory and supervisory system in line with international best practice the reforms proposed in this book offer a way for financial regulatory and supervisory agencies to further develop modern islamic law and finance the book will be a valuable resource for scholars and policymakers interested in the dual banking system in indonesia

this book is the leading reference on indonesian private international law in english the chapters systematically cover the whole of indonesian private international law including commercial matters family law succession cross border insolvency intellectual property competition antitrust and environmental disputes the chapters do not merely cover the traditional conflict of law areas of jurisdiction applicable law choice of law and enforcement the chapters also look into conflict of law questions arising in arbitration and assess indonesian involvement in the harmonisation of private international law globally and regionally within asean similarly to the other volumes in the studies in private international law asia series this book presents the indonesian conflict of laws through a combination of common and civil law analytical techniques and perspectives providing readers worldwide with a more profound and comprehensive understanding of the subject

indonesian language textbook for foreigners

a union list of serials commencing publication after dec 31 1949
