in elegant anatomy marieke hendriksen offers an account of the material culture of the eighteenth century leiden anatomical collections which have not been studied in detail before the author introduces the novel analytical concept of aesthesis as these historical medical collections may seem strange and undeniably have a morbid aesthetic yet are neither curiosities nor art as this book deals with issues related to the keeping and displaying of historical human remains it is highly relevant for material culture and museum studies cultural history the history of scientific collections and the history of medicine alike unlike existing literature on historical anatomical collections this book takes the objects in the collections as its starting point instead of the people that created them

almost every medical faculty possesses anatomical and or pathological collections human and animal preparations wax and other models as well as drawings photographs documents and archives relating to them in many institutions these collections are well preserved but in others they are poorly maintained and rendered inaccessible to medical and other audiences this volume explores the changing status of anatomical collections from the early modern period to date it is argued that anatomical and pathological collections are medically relevant not only for future generations of medical faculty and future research but they are also important in the history of medicine the history of the institutions to which they belong and to the wider understanding of the cultural history of the body moreover anatomical collections are crucial to new scholarly inter disciplinary studies that investigate the interaction between arts and sciences especially medicine and offer a venue for the study of interactions between anatomists scientists anatomical artists and other groups as well as the display and presentation of natural history and medical cabinets in considering the fate of anatomical collections and the importance of the keeper s decisions with respect to collections this volume will make an important methodological contribution to the study of collections and to discussions on how to preserve universities academic heritage

this book contributes to a worldwide history of textual criticism and critical editions of ancient scientific texts it first looks at ancient editorial practices and at their impact on modern editions contributions analyze how through time the perception of what a text was may have changed and influenced how scholarly texts were made accessible the second section looks at the historical political and social contexts within which editions and translations of ancient scientific texts were produced finally the last two parts examine the specificities of editions and

translations that bore on scholarly documents not only is there a focus on how the elements specific to scientific texts such as diagrams and numbers were treated but case studies analyzing the specific work carried out to edit mathematical and astronomical texts of the past are also offered to the reader the scholarship displayed in this work lays the foundation for further studies on the history of critical editions and raises questions to those who make scholarly translations and critical editions today

the safavid world brings together thirty chapters on many aspects of the complex safavid state 1501 1722 with the latest insights and arguments some offer overviews of the period or topic at hand and others present new interpretations of old questions based on newly found sources in addition to political history and religious life the chapters in this volume cover economic conditions commercial links and activities social relations and artistic expressions they do so in ways that stretch both the temporal and geographical perimeters of the subject and contributors also examine safavid iran with an eye to both its mongol and timurid antecedents and its long afterlife following the fall of the dynasty unlike traditional scholarship which tended to view the country as unique sui generis and barely affected by the outside world the safavid world situates iran in a wider regional or global context examining the safavids from their foundations in the fourteenth century to their relations with the rest of the world in the eighteenth century this study is essential reading for undergraduates postgraduates and scholars of the safavid world and the history and culture of iran and the middle east

before the us federal reserve and the bank of england the bank of amsterdam bank was a dominant central bank with a global impact on money and credit how a ledger became a central bank draws on extensive archival data and rich secondary literature to offer a new and detailed portrait of this historically significant institution it describes how the bank struggled to manage its money before hitting a modern solution fiat money in combination with a repurchase facility and discretionary open market operations it describes techniques the bank used to monitor and stabilize money stock and how foreign sovereigns could exploit the liquidity of the bank for state finance closing with a discussion of commonalities of the bank of amsterdam with later central banks including the federal reserve this book has generated a great deal of excitement among scholars of central banking and the role of money in the macroeconomy

nicholas rowe was the first poet laureate of the georgian era a fascinating and

important yet largely overlooked figure in eighteenth century literature he is the lost augustan his plays are important both for the way they address the political and social concerns of the day and for reflecting a period in which the theatre was in crisis this edition sets out to demonstrate rowe s mastery of the early eighteenth century theatre especially his providing significant roles for women and examines the political and historical stances of his plays it also highlights his work as a translator which was both innovative and deeply in tune with current practices as exemplified by john dryden and alexander pope this is the first scholarly edition of all rowe s plays and poems and is accompanied by 15 musical scores and 31 black and white illustrations the first three volumes arrange his plays chronologically with the first volume presenting the early plays the ambitious step mother tamerlane and the fair penitent the second volume the middle plays the bitter ulysses and the royal convert and the third volume his late period plays the tragedy of jane shore and the tragedy of the lady jane grey the subsequent volumes cover his translation of lucan s pharsalia described by samuel johnson as one of the greatest productions in english poetry and his own original poetry which was often composed for specific occasions each volume contains a newly written explanatory introduction which precedes the full edited text appendices covering dedications prologues and epilogues performance history the related music and textual apparatus are also included the edition comes with a consolidated bibliography for ease of reference

the second volume of the history of cambridge university press covering the 1690s to 1872

nicholas rowe was the first poet laureate of the georgian era a fascinating and important yet largely overlooked figure in eighteenth century literature he is the lost augustan his plays are important both for the way they address the political and social concerns of the day and for reflecting a period in which the theatre was in crisis this edition sets out to demonstrate rowe s mastery of the early eighteenth century theatre especially his providing significant roles for women

and examines the political and historical stances of his plays it also highlights his work as a translator which was both innovative and deeply in tune with current practices as exemplified by john dryden and alexander pope this is the first scholarly edition of all rowe s plays and poems and is accompanied by 15 musical scores and 31 black and white illustrations in this first volume a general introduction by stephen bernard and michael caines introduces rowe s works and the five volumes that comprise this set it then presents the early plays the ambitious step mother tamerlane and the fair penitent along with a newly written explanatory introduction by rebecca bullard and john mctague which precedes the full edited text appendices covering dedications performance history the related music and textual apparatus are also included a consolidated bibliography is included with the final volume for ease of reference

token focuses on english linguistics in a broad sense taking in both diachronic and synchronic work grammatical as well as lexical studies that being said the journal favors empirical research all submissions are double blind peer reviewed token is the original medium of publication for all articles that the journal prints

london is a key site for family historians many researchers seeking to trace their ancestry back through the generations will find their trail leads to london or through it yet despite the burgeoning interest in genealogy and the importance of london in so many life stories few previous books have explored the citys history or provided guidance on the research resources family historians can use to discover the life of a london ancestor this is the purpose of jonathan oates invaluable handbook in a series of short information packed chapters he describes the principal record offices archives libraries and other sources researchers can go to and shows how londoners can be tracked through censuses registers and directories over the last 500 years then he explores key aspects of londons history from a family historians point of view crime religion and education and the body of evidence associated with them are covered as is the historical trail left by taxation health welfare work and business he looks also at the military and wartime records available in the city and at the records of immigrant communities who have had such a notable impact on the development of the capital each section introduces the reader to the relevant sources indicates where they can be found and offers essential advice on how this information can be used to piece together the lives of distant and not so distant relatives

andrew millar 1705 68 published some of the most important works of the

eighteenth century across many genres this is the first extended study of his commercial and social role in the commissioning production circulation and consumption of enlightenment literature in britain and it presents hundreds of previously unpublished letters

new york times editors choice winner of the bancroft prize winner of the francis parkman prize winner of the gotham book prize winner of the new york society library s new york city book award journal of the american revolution book of the year winner of the david j langum sr prize in american legal history winner of the james bradford best biography prize a riveting revolutionary era drama of the first published rape trial in american history and its long shattering aftermath revealing how much has changed over two centuries and how much has not on a moonless night in the summer of 1793 a crime was committed in the back room of a new york brothel the kind of crime that even victims usually kept secret instead seventeen year old seamstress lanah sawyer did what virtually no one in us history had done before she charged a gentleman with rape her accusation sparked a raw courtroom drama and a relentless struggle for vindication that threatened both lanah s and her assailant s lives the trial exposed a predatory sexual underworld sparked riots in the streets and ignited a vigorous debate about class privilege and sexual double standards the ongoing conflict attracted the nation s top lawyers including alexander hamilton and shaped the development of american law the crime and its consequences became a kind of parable about the power of seduction and the limits of justice eventually lanah sawyer did succeed in holding her assailant accountable but at a terrible cost to herself based on rigorous historical detective work this book takes us from a chance encounter in the street into the sanctuaries of the city s elite the shadows of its brothels and the despair of its debtors prison the sewing girl s tale shows that if our laws and our culture were changed by a persistent young woman and the power of words two hundred years ago they can be changed again includes photographs

this volume advances scholarly understanding of english catholicism in the early modern period through a series of interlocking essays on single family the throckmortons of coughton court warwickshire whose experience over several centuries encapsulates key themes in the history of the catholic gentry despite their persistent adherence to catholicism in no sense did the throckmortons inhabit a recusant bubble family members regularly played leading roles on the national political stage from sir george throckmorton s resistance to the break

with rome in the 1530s to sir robert george throckmorton s election as the first english catholic mp in 1831 taking a long term approach the volume charts the strategies employed by various members of the family to allow them to remain politically active and socially influential within a solidly protestant nation in so doing it contributes to ongoing attempts to integrate the study of catholicism into the mainstream of english social and political history transcending its traditional status as a special interest category remote from or subordinate to the central narratives of historical change it will be particularly welcomed by historians of the sixteenth through to the nineteenth century who increasingly recognise the importance of both catholicism and anti catholicism as central themes in english cultural and political life
