in revolution in poetic language julia kristeva explicates her foundational distinction between the semiotic and the symbolic and explores their interrelationships linking the psychosomatic to the literary and the literary to a larger political horizon she questions the premises of linguistic psychoanalytic philosophical and literary theories

gosetti ferencei argues that heidegger has overlooked central elements in hlderlin s poetics such as a kantian understanding of aesthetic subjectivity and a commitment to enlightenment ideals these elements she argues resist the more politically distressing aspects of heidegger s interpretations including heidegger s nationalist valorization of the german language and sense of nationhood or heimat

language and world creation in poems and other texts introduces an interdisciplinary and practical approach to the analysis of poetry which focuses on text worlds namely the contexts scenarios or types of reality that readers construct in their interaction with the language of texts the book demonstrates in detail three ways of approaching poetic text worlds namely as discourse situations possible worlds and mental constructs clear and detailed introductions to linguistic theories of definiteness and deixis possible world theory and schema theory are included making the book accessible to readers who are unfamiliar with these frameworks

poetry defined as language divided into lines is found in most known human cultures this masterful survey of poetry and its constituent components demonstrates the functions performed by metre rhyme alliteration and parallelism arguing that each line of a poem fits as a whole unit into the limited capacity of human working memory using examples from around the world fabb surveys the wide varieties of poetry and the ways they are performed including those in songs and signed literatures focusing on language form and memory he argues helps us understand why poetry is a particularly valued way of using language a fresh exploration of

poetry the book will be welcomed by students and researchers of literature linguistics and psychology as well as anyone interested in poetry

this ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of english studies which marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of english language and literature within each of 24 major sections marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories the annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as james l harner s literary research guide modern language assn of america 1989 larger academic libraries will want marcuse s volume jack bales mary washington coll lib fredericksburg va library journal

the last half of the twentieth century has seen the emergence of literary theory as a new discipline as with any body of scholarship various schools of thought exist and sometimes conflict within it i r makaryk has compiled a welcome guide to the field accessible and jargon free the encyclopedia of contemporary literary theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years some 170 scholars from around the world have contributed their expertise to this volume their work is organized into three parts in part i forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose the essays also discuss the uses and limitations of the various schools and the key issues they address part ii focuses on individual theorists it provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of part i this second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context part iii deals with the vocabulary of literary theory it identifies significant complex terms places them in context and explains their origins and use accessibility is a key feature of the work by avoiding jargon providing mini bibliographies and cross referencing throughout makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

n v raveendran has used stylistics here as a means of exploring and explaining the poetics of sensuality thereby bridging the gap between language and linguistics on the one hand and poetry and stylistics on the other he thus bypasses the usual charge against linguistic stylistics that it puts the cart before the horse and uses language features only to validate and valorize perceptions based on immediate personal responses this attempt is bound to be of value to scholars as well as students of poetry of indian english poetry in particular dr k ayyappa panicker

zapruder is the ideal narrator to debunk mistaken ideas about the art and claim that the ways we teach poetry are what prevent us from enjoying it san francisco chronicle in why poetry award winning poet matthew zapruder takes on what it is that poetry and poetry alone can do zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it in lively lilting prose he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion or inadequacy that many of us feel when faced with it zapruder explores what poems are and how we can read them so that we can as whitman wrote possess the origin of all poems without the aid of any teacher or expert most important he asks how reading poetry can help us to lead our lives with greater meaning and purpose anchored in poetic analysis and steered through zapruder s personal experience of coming to the form why poetry is engaging and conversational even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge while he provides a simple reading method for approaching poems and illuminates concepts like associative movement metaphor and negative capability zapruder explicitly confronts the obstacles that readers face when they encounter poetry to show us that poetry can be read and enjoyed by anyone a consistently surprising work that shows novices how they can navigate poetry while providing a wonderful re education for anyone who was taught to dissect a poem as if it were a dead frog the washington post
