is justice an ideal forever beyond our grasp or something that may actually guide our practical decisions and enhance our lives in this wide ranging book amartya sen presents an alternative approach to mainstream theories of justice which despite their many specific achievements have taken us he argues in the wrong direction in general at the heart of sen s argument is his insistence on the role of public reason in establishing what can make societies less unjust but it is in the nature of reasoning about justice argues sen that it does not allow all questions to be settled even in theory there are choices to be faced between alternative assessments of what is reasonable sen also shows how concern about the principles of justice in the modern world must avoid parochialism and further address questions of global injustice the breadth of vision intellectual acuity and striking humanity of one of the world s leading public intellectuals have never been more clearly shown than in this remarkable book

es la justicia social un ideal fuera de nuestro alcance o una posibilidad real más allá del discurso intelectual la idea de la justicia desempeña un importante papel en nuestras vidas amartya sen ofrece una alternativa a las teorías convencionales de la justicia que a pesar de sus muchos logros hace tiempo que dejaron atrás las realidades prácticas desde la ilustración las teorías dominantes han tendido a ocuparse de identificar las disposiciones sociales perfectamente justas y definir la naturaleza de la sociedad perfecta sen entregado a la reducción de la injusticia centra su enfoque en los juicios comparativos de lo que es más o menos justo y en evaluar los méritos de ciertas instituciones e interacciones sociales en el núcleo de su reflexión subyace el respeto por las diferentes percepciones de la sociedad justa muy distintas convicciones pueden ofrecer soluciones claras directas y

defendibles la perspectiva de sen uno de los pensadores más influyentes de nuestra era hace uso de esa pluralidad con el fin de construir una teoría de la justicia para el mundo moderno capaz de absorber distintos puntos de vista y resolver las cuestiones de injusticia global sen es uno de los grandes pensadores de nuestra era the times leer las razones de la justicia es como asistir a una clase magistral de razonamiento práctico Ésta es una obra monumental the independent

this book considers that contextual factors are important for the achievement of social justice and it recognizes that vulnerability to which children are exposed is a phenomenon throughout the planet particularly in the south it presents a theoretical review of social justice as well as different situations of vulnerability children experience in their daily lives in which they can be injured affecting their well being and the exercise of their rights it examines the impact of the covid 19 pandemic on children considered as a vulnerable group warranting special social policy considerations it also presents the need to change power structures in knowledge production and decision making processes to achieve social justice for children the importance of investing in children the exclusion of children from participation in certain activities and the shame of not being able to participate in equal conditions with others the lives of migrant children belonging to ethnic minorities exposed to language barriers and access to technological devices and the analysis of the process of social re integration of children from conditions of armed conflict the book concludes that governments need to assume social justice as part of universal human interests providing security conditions for well being and guaranteeing social justice for all children

this book deals with the fascinating debate over the concept of justice proposed by two contemporary thinkers namely john rawls and amartya sen justice means what is just but how do we know what is just what would be the viable criterion to legitimize justice is justice objective or subjective is justice a matter of ontological issue or an issue of realization what would be the paradigm of justice these are some important issues discussed in the book please note taylor francis does not sell or distribute the hardback in india pakistan nepal bhutan bangladesh and sri lanka

the focus of this book is centered on the participation of children in countries of the south in this sense it will review the possibilities of children s participation as well as their forms of participation in different contexts of daily life there has been a tendency to underestimate children s role as active constructors of their surrounding social space as well as of the internalized interpretations of the way social life operates today it is necessary to recognize that children are agents actively involved in the construction of their own lives and the life of the societies they live in and in this sense it is important to consider and re signify the participation of boys and girls as a fundamental pillar in the process of building societies in the 21st century the book contains chapters that re significate children s participation in different countries from south america and south africa in relation with different topics well being methods citizenship poverty education rurality ethics and human rights

this paper carries out a brief analysis of Amartya Sen's thinking on justice based on part IV of his book *The Idea of Justice* besides of describing Sen's thoughts on the subject the paper aims to contextualize it in the evolution of Sen's work and in the general discussion on justice in economic theory reconsidering his identity as a non utilitarian philosopher and reevaluating its importance in the history of economic thought this work is important because it contributes to a better understanding of the most recent ideas of one of the most influential thinkers in moral discussion

en el año 2000 se elaboró la estrategia de Lisboa en la que se contemplaban políticas comunitarias para la década de 2000-2010 en base a tres ejes crecimiento empleo y cohesión social ante la previsión de no alcanzar una reducción considerable del número de personas situadas bajo el umbral de pobreza y excluidas socialmente se realizó una revisión de dicha estrategia desde entonces se ha centrado más en el crecimiento económico y la creación de empleo entendiendo que la cohesión e inclusión social se darían como consecuencia del crecimiento de la economía por ello y por ser el año europeo de lucha contra la pobreza y la exclusión social el 2010 es un año de importante transición ya que se deben definir las bases de la nueva estrategia para el periodo 2011-2020 una estrategia que no debería dar las espaldas a los últimos informes que constatan que el crecimiento espontáneo no ha venido acompañado de una mayor cohesión social ni de una reducción de la tasa de pobreza ni de la generación de un empleo verdaderamente integrador tal y como se pretendía ante esta situación este número de documentación social presenta un amplio conjunto de análisis dirigidos a aportar elementos de reflexión para un debate crucial como el que en este momento está en juego el modelo social recogido en la nueva estrategia europea 2020 el gasto social en España y en la UE tendencias en pobreza y exclusión en Europa o qué pasará con el empleo la flexibilidad y precariedad ante esta nueva estrategia son algunos de las reflexiones claves de este ejemplar

desde el principio antes incluso de que el término hubiera nacido en grecia el hombre ha sido un animal político hasta el punto de que uno de los rasgos definitorios de lo humano es precisamente su condición de político su necesidad de organizar la vida en sociedad y lo que se juega en la política no es sólo pese a lo que pudiera parecer en los tiempos que corren un reparto de cargos o prebendas o ni siquiera el poder sino la regulación de las reglas de convivencia la vida en común de todos en 50 capítulos concisos y enriquecidos con citas y ejemplos contemporáneos el historiador británico ben dupré desgrana con amenidad los fundamentos teóricos y prácticos de la política desde las ideas libertad justicia a las formas de gobierno monarquía democracia tiranía o las ideologías socialismo liberalismo anarquismo y como nada humano le es ajeno a la política aborda también las cuestiones más candentes la corrupción el fundamentalismo la violencia la globalización la corrección política o la influencia de los medios de comunicación actualizado y didáctico este libro ofrece algo más que una introducción a la política es una guía para no perderse en el laberinto de la realidad inmediata

the contributors to this volume discuss current policies and issues in argentina chile colombia mexico peru and the united states as they explore the nature of the relationship among education poverty and inequality the book provides evidence linking school participation the quality of education for poor children in the americas and the impact of education policies to promote social justice

qué es la renta básica por qué la han defendido tanto liberales como socialdemócratas comunistas feministas o ecologistas es eficiente desde el punto de vista del crecimiento económico y de la creación de empleo y sobre todo es justa este libro aborda la que probablemente termine siendo la política redistributiva más importante del siglo xxi en contra de lo que suele pensarse la principal razón por la que el autor rechaza la renta básica no es económica sino ética la solidaridad es un fin muy loable pero no puede ser impuesta por la fuerza no es el fin el que justifica los medios sino que son los medios los que permiten justificar los fines también en el caso de la redistribución estatal de la renta según demuestra rallo analizando críticamente las principales corrientes filosóficas contemporáneas como la socialdemocracia el republicanismo el comunismo el utilitarismo el feminismo o el ecologismo la redistribución coactiva de la renta no puede justificarse desde un punto de vista ético forzar a una persona a subordinar sus proyectos vitales a los proyectos vitales de los demás es injusto intolerante y contrario a las bases sociales de la convivencia
