at the inaugural general assembly of the world reformed fellowship wrf in 2000 i proposed that the wrf could serve the church by writing a new confession of faith for the twenty first century the first reason was that the members of the wrf were drawn from many nations and from many denominations and were using a whole range of confessional statements at the same time there was general agreement that we were all reformed in theology the second reason was the need for a confessional statement to address the issues the church is facing today the third reason was that all of our confessions were written in western europe whereas the leadership in the global church has now moved to the southern hemisphere s cholars from africa asia australasia and south america joined with theologians from europe and north america to engage in the task the statement was presented to the wrf general assembly in april 2010 an invitation was then issued to all members of the wrf to suggest any changes or additions to the text the statement presented here was approved by the wrf bord of directors in 2011 it is not intended to replace other confessional statements but may be of use to individuals and churches as they reflect on the nature of reformed theology and its application to the theological and moral issues which confront the church in the twenty first century

este es el tercer tomo de una experiencia que no termina si la vemos desde el vientre de lo que aconteció en lo espiritual pues cada instante de mi experiencia tras las rejas podría llamarlo como vivir caminando sobre el techo del infierno contemplando la experiencia de la salvación al otro lado de una puerta que cerrada con cadenas y candados me desafiaba a concebirla abierta un día invitándome a vivir la plenitud de una verdadera libertad para el lector que no haya leído los dos primeros tomos le comparto que esta experiencia a que me refiero aconteció tras las rejas en varios centros carcelarios del sur de california estados unidos todo lo que va a leer en este libro hace parte de una vida sobrenatural en medio de las circunstancias más naturales y sobretodo más absurdas el contenido de este libro hace parte de lo que la iglesia llama una revelación privada que no puede en ningún momento insinuarle al lector que sea un depósito de la fe o una verdad sobre la cual deba vivir por encima de las enseñanzas de la iglesia
