a journey into the numerous horror films of the 80 s analyzed under a religious profile which is purely catholic the diversification of the analysis is of course an issue that interests us in fact of all the films taken into consideration this journey not only gives a brief opinion of the film but it also shows the depth and thoughts shared and prepared by the catholic cinematographic center this centre analyzes the plot and also evaluates the film under an ethical moral and religious aspect in order to indicate if catholics are able to watch it the result is a really interesting insight and sometimes it has a fun perspective we must acknowledge however that the critical catholic knows how to diversify religious opinion from the technical creative aspects this means that a film can be recognized as a masterpiece but not get the clearance for visibility 65 deepened critical articles of the most important films of the decade over 9000 horror movies from 1980 to 1989 linked to external resources for cast posters images and reviews the electronic version of this book is designed in kindle pdf and epub format this is an interactive book an internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work
