una profunda puesta al día de la historia económica de España desde la antigüedad hasta nuestros días este libro configurado de modo que sirva tanto a cualquier lector interesado como al estudiante o al profesor ofrece un recorrido a largo plazo por los principales factores que han configurado la vida económica de España desde una visión más general de la herencia legada por la antigüedad y la época medieval hasta las cuestiones más actuales que afectan a la economía en nuestros días dentro de una estructura general cronológica con estudios sectoriales y capítulos temáticos se aborda la economía preindustrial de los siglos xvi xvii y xviii particularizadamente el largo siglo xix y todo el siglo xx al que se dedica prácticamente la mitad del libro a ello se añaden capítulos especializados sobre temas concretos algunos ya más conocidos como la economía de las regiones o el contexto internacional de la economía española otros más novedosos en obras generales como la ciencia y la economía los mercados de trabajo o el papel de las ciudades en la modernización de España veintinueve especialistas de dieciocho universidades y varios centros de investigación aseguran el rigor la puesta al día más reciente el conocimiento detallado de las cuestiones debatidas en cada caso y una visión personal que enriquece un texto que siempre mantiene la unidad del conjunto los textos se completan con abundante material documental gráfico estadístico y bibliográfico que

facilita no sólo la comprensión de las cuestiones tratadas sino la utilización del libro como material de referencia y apoyo tanto para seguir cursos presenciales como para la realización de trabajos y prácticas personales

ha crecido España en los dos últimos siglos sí y mucho ha convergido respecto a los países de la Europa occidental no en absoluto nos dicen los autores de este libro para quienes el problema central de la economía española a lo largo de los siglos XIX y XX es la convergencia o divergencia respecto de los países que hoy constituyen la Unión Europea para explicar por qué España aún no ha llegado a homologarse con esos países los profesores Carreras y Tafunell nos proponen un excitante recorrido en el tiempo por los avatares de la historia económica de la España contemporánea desde 1789 hasta nuestros días este libro pensado sobre todo para los estudiantes de primeros cursos de historia de España y desde luego para un público general culto está escrito con sencillez y eficacia renunciando a la erudición de las notas a pie de página y facilitando elementos de consulta para ampliar conocimientos específicos su intención última que surge de un esfuerzo apasionado de los autores por proponer una nueva visión del pasado económico de España es transparente proporcionar la herramienta más eficaz para comprender y reinterpretar cabalmente las causas del atraso y la modernización de España problema fascinante y permanente motivo de reflexión para una sociedad que encara aun titubeante los desafíos del siglo XXI

durante las décadas de 1960 y 1970 la historiografía económica española estuvo muy influida por la francesa en los años siguientes sin embargo se produjo un distanciamiento en las investigaciones y los debates de dicha disciplina en ambas naciones para subsanar esta situación la casa de Velázquez la universidad de Alicante y la universidad de París X Nanterre organizaron en 2002 un coloquio donde se presentaron balances historiográficos generales y sectoriales y se discutieron los factores del crecimiento económico español en el siglo XX la publicación de estos trabajos permite conocer el estado de la cuestión a ambos lados de los Pirineos y contribuye a fomentar un provechoso intercambio de ideas y métodos siguiendo los pasos del comité italo español que ha organizado desde 1989 varios encuentros periódicos la asociación de historia económica ha creado un comité franco español que permitirá analizar las causas que originaron las diferencias entre el crecimiento económico de los dos países en la edad moderna y contemporánea

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an incredible opportunity to access a wide range of books without the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?
