With essays by the most authoritative scholars, this unique study and reference work is the first English language survey and analysis of Mexican cinema. The book provides extensive coverage of the delirious melodramas of El Indio Emilio Fernández and Roberto Gavaldón, many shot by the supremely romantic cinematographer Gabriel Figueroa, and the contemporary successes of Jaime Humberto Hermosillo. It also includes the Mexican work of Luis Buñuel, the surreal intense dramas of Felipe Cazals, and Arturo Ripstein. The innovative work of Paul Léduc and much more. This lavishly illustrated book also contains notes on over 150 individual films, an extensive dictionary of directors and other personalities, together with filmographies and an extensive chronicle of Mexico's political, cultural, and cinematic history in the twentieth century.

The emergence of broadcasting in Britain covers the development of radio from 1906-1932. It examines the people involved, their characters, and their struggles.

Do you remember the first movie you ever owned? It was probably a product of Castle Films. Before home video, Castle Films made every living room a screening room. For four decades, the 16mm and 8mm film products of Castle Films were sold in every department store and hobby shop. Castle had big screen movies for everybody: comedies with Abbott Costello, The Marx Brothers, and W.C. Fields; monster movies with Frankenstein, Dracula, and The Wolfman; cartoons with Woody Woodpecker, Chilly Willy, and Mighty Mouse; westerns with Clint Eastwood, John Wayne, and James Stewart; travelogues of the world's picturesque places; newsreels of major headline stories; musicals with top singers and bandleaders. Collectors have always wanted a reference book detailing the total output of Castle Films. Here it is: *Castle Films: A Hobbyist's Guide* is a complete filmography of every title printed between 1937 and 1977. For handy reference, there are separate indexes by title, subject, and serial number; a listing of Castle's color film releases; and a special section decoding Castle's various pseudonym titles and disclosing the true identities of many films. *Castle Films: A Hobbyist's Guide* is a fascinating nostalgic look at one of the pioneers of home entertainment.

The biopic presents a profound paradox: its own conventions and historical stages of development—disintegration, investigation, parody, and revival—have not gained respect in the world of film studies. That is, until now. *Whose Lives Are They Anyway?* boldly proves a critical point: the

biopic is a genuine dynamic genre and an important one it narrates exhibits and celebrates a subject's life and demonstrates investigates or questions his or her importance in the world it illuminates the finer points of a personality and ultimately it provides a medium for both artist and spectator to discover what it would be like to be that person or a certain type of person through detailed analyses and critiques of nearly twenty biopics dennis bingham explores what is at their core the urge to dramatize real life and find a version of the truth within it the genre's charge which dates back to the salad days of the hollywood studio era is to introduce the biographical subject into the pantheon of cultural mythology and above all to show that he or she belongs there it means to discover what we learn about our culture from the heroes who rise and the leaders who emerge from cinematic representations bingham also zooms in on distinctions between cinematic portrayals of men and women films about men have evolved from celebratory warts and all to investigatory to postmodern and parodic at the same time women in biopics have been burdened by myths of suffering victimization and failure from which they are only now being liberated to explore the evolution and lifecycle changes of the biopic and develop an appreciation for subgenres contained within it there is no better source than whose lives are they anyway

this encyclopaedia covers the careers of over 3000 actors directors writers and producers classic names from the 1920s and 1930s receive full coverage but the main emphasis of the book is on the post war period including the emerging generation of film makers in the 1980s and 1990s each edition covers previous five years
