this volume contains the documents from request for an advisory opinion submitted by the commission of small island states on climate change and international law le présent volume contient les documents concernant demande d avis consultatif soumise par la commission des petits États insulaires sur le changement climatique et le droit international

the mettray penal colony was a private reformatory without walls established in france in 1840 for

the rehabilitation of young male delinquents foucault linked its opening to the most significant change in the modern status of prisons and now at last stephen toth takes us behind the gates to show how the institution legitimized france's repression of criminal youth and added a unique layer to the nation's carceral system drawing on insights from sociology criminology critical theory and social history stephen toth dissects mettray's social anatomy exploring inmates experiences more than 17 000 young men passed through the reformatory before its closure and toth situates their struggles within changing conceptions of childhood and adolescence in modern france mettray demonstrates that the colony was an ill conceived project marked by internal contradictions its social order was one of subjection and subversion as officials struggled for order and inmates struggled for autonomy toth's formidable archival work exposes the nature of the relationships between and among prisoners and administrators he explores the daily grind of existence living conditions discipline labor sex and violence thus he gives voice to the incarcerated not simply to the incarcerators whose ideas and agendas tend to dominate the historical record mettray is above all else a deeply personal illumination of life inside france's most venerated carceral institution

when the united nations undertook the publication of the reports of international arbitral awards the *pasicrisie internationale* was identified as one of the rare truly general collections of international case law in existence in fact in deciding to publish the arbitration clauses and arbitral awards from 1794 to 1900 henri la fontaine was doing pioneering work foreshadowing the famous reports by half a century as we near the end of the century the *pasicrisie internationale* remains just as pertinent as it was when first published in 1902 this collection of arbitral awards with its modest appearance has certainly contributed more to the development of international arbitration case law than any number of lyrical speeches advocating peace through law first edition printed in 1902 by stämpfli bern lorsque l'organisation des nations unies entreprit la publication de son recueil des sentences arbitrales elle identifia la *pasicrisie internationale* comme constituant l'une des rares véritables collections générales de jurisprudence internationale préexistantes de fait en décidant de rassembler les clauses compromissoires et les sentences arbitrales de 1794 à 1900 henri la fontaine avait fait oeuvre de pionnier et il préfigurait avec un demi siècle d'avance le célèbre recueil en cette fin de siècle la *pasicrisie internationale* constitue donc un outil de travail toujours aussi actuel que lors de sa publication en 1902 cette compilation de sentences arbitrales d'apparence modeste a certainement plus contribué au développement de la jurisprudence arbitrale internationale que bien des discours lyriques prônant la paix par le droit première édition imprimée en 1902 par stämpfli berne

this volume of the proceedings of the nineteenth session of the hague conference on private international law encompasses all preparatory work and records of meetings which led to the adoption of the hague convention on the law applicable to certain rights in respect of securities

held with an intermediary the hague securities convention the signing of this convention on 5 july 2006 by two of the world s major financial markets the united states and switzerland shows the relevance of the new treaty traditional rules based on physical transfers and direct holdings are too diverse and inadequate to deal with securities which are nowadays transferred and pledged by electronic entries to accounts with clearing and settlement systems and other intermediaries by identifying specific conflict rules the hague securities convention provides a means to remedy this lack of legal certainty which has characterized for too long the field of security transactions the proceedings will enable the financial world but also legal practitioners and academics to grasp the background and full objectives of this very innovative international instrument

bibliographical list of official and unofficial publications concerning the permanent court of international justice in each vol
