explicitly focusing on the malaise of underdevelopment that has shaped the country since the spanish conquest ramón eduardo ruiz offers a panoramic interpretation of mexican history and culture from the pre hispanic and colonial eras through the twentieth century drawing on economics psychology literature film and history he reveals how development processes have fostered glaring inequalities uncovers the fundamental role of race and class in perpetuating poverty and sheds new light on the contemporary mexican reality throughout ruiz traces a legacy of dependency on outsiders and considers the weighty role the united states has played starting with an unjust war that cost mexico half its territory based on ruiz s decades of research and travel in mexico this penetrating work helps us better understand where the country has come why it is where it is today and where it might go in the future

peasant and nation offers a major new statement on the making of national politics comparing the popular political cultures and discourses of postcolonial mexico and peru florencia mallon provides a groundbreaking analysis of their effect on the evolution of these nation states as political history from a variety of subaltern perspectives the book takes seriously the history of peasant thought and action and the complexity of community politics it reveals the hierarchy and the heroism the solidarity and the surveillance the exploitation and the reciprocity that coexist in popular political struggle with this book mallon not only forges a new path for latin american history but challenges the very concept of nationalism placing it squarely within the struggles for power between colonized and colonizing peoples she argues that nationalism must be seen not as an integrated ideology that puts the interest of the nation above all other loyalties but as a project for collective identity over which many political groups and coalitions have struggled ambitious and bold peasant and nation both draws on monumental archival research in two countries and enters into spirited dialogue with the literatures of post colonial studies gender studies and peasant studies peasant and nation offers a major new statement on the making of national politics comparing the popular political cultures and discourses of postcolonial mexico and peru florencia mallon provides a groundbreaking analysis of their effect on the

green offers a colorful account of the first decade of mexican independence from spain he views the failed attempt to establish a strong republic and the

subsequent civil war that plagued the young nation from this first decade two polarized factions emerged one federalist and populist the other attempted to keep much of the old order of authoritarianism and church power established under colonialism the were to be called the liberals and the conservatives who would vie for power over the next century
