master the 12 disciplines of powerful leadership and lead your organization to greatness we ve all heard the phrase born leader leadership experts brian tracy and dr peter chee are here to debunk the myth that you either have it or you don t that leadership is a talent bestowed on some and not on others that in order to lead effectively you have to have it in your genes the authors assert that great leaders are made not born everyone has the ability to shape himself or herself into the kind of person who enables and uplifts others to reach their highest potential and in 12 disciplines of leadership excellence they reveal exactly how to achieve it it all starts with discipline in this groundbreaking book the authors break down great leadership into 12 disciplines including clarity about who you are where you are going and how to get there control build and bolster your sense of personal responsibility and self mastery character dedicate yourself to passionately build trust with honesty and integrity competence commit to constant never ending improvement and learning caring because when you care your people care in building great working relationships courage moving out of your comfort zone to embrace change and make tough decisions one at a time don t try to take on too much at once choose a discipline and live it until it becomes a habit of excellence then move to the next one it will take time but all life improving endeavors do read this practical inspirational guide and every day you will take one more step to becoming a highly effective leader

this handbook integrates the best leadership and followership theories and practices between the global north west countries of western individualistic cultures in europe north america australia and oceania and the global south east countries of eastern collectivistic

~~cultures in asia africa south america and south east asian and oceania there is a need to~~  
bring the global north west and the global south east together to address global challenges such as the climate change global hunger and poverty domestic and international terrorism social justice gender inequality and domestic and global abuse of human and natural resources this innovative volume proposes that the democratic leadership of the global north west and the human centered followership of the global south east can transform the world if leadership and followership values education and practices are integrated it utilizes findings from positive psychology social psychology organizational behavior and world religions and contemplative wisdom traditions to highlight the case for global leadership and followership

this book looks into responsible leadership as leader s proactive actions towards attainment of sustainable development goals and overall wellbeing of organization and society the book covers both theoretical and practical approaches towards responsible leadership in the first module the second module consists of chapters linking responsible leadership with various aspects of sustainable business practices such as sustainable supply chain management green marketing green hr green finance and sustainable education through digitization the third module covers challenges to responsible leadership in various sectors such as education agriculture services renewable energy and urban and rural development under a dynamic business environment the fourth section discusses leadership roles in strategizing and implementing sustainable practices within the organization finally the concluding module contains critical reviews and interpretations of the perspectives on harnessing power of hr transformation for long term sustainability and well being

includes history of bills and resolutions

make your leadership efforts stick every day thousands of people put great effort and money into becoming more effective leaders through seminars personal coaching and employee development plans these undertakings can do wonders to help leaders of all stripes improve their effectiveness but not every leader finishes what he or she starts and many revert back

~~to less effective habits often without even realizing it how can you ensure that you stick~~  
with all the positive changes you have made how do you make sure you don't slip back into your old ways answer leadership sustainability dave ulrich the man businessweek referred to as the #1 management educator and guru teams up with leadership expert norm smallwood to go where no leadership guide has gone this dream team provides sophisticated proven leadership sustainability ideas and tools that you can put to use immediately leadership sustainability helps you turn good intentions into effective actions by mastering seven critical disciplines simplicity focus on the few key behaviors that will have the most impact time allocate your time so your calendar matches your intentions accountability take personal responsibility for doing what you say you will do resources support your leadership with effective ongoing coaching and hr systems tracking develop metrics for measuring your leadership improvement melioration learn from your mistakes and demonstrate resilience emotion draw on deep personal values to keep yourself motivated the journey to great leadership doesn't end with learning and implementing effective new skills great leadership is about consistency and the drive for consistency is a never ending process use leadership sustainability to ensure leadership greatness today tomorrow and for the rest of your life praise for leadership sustainability dave and norm propose a practical approach to solving the problem of leaders turning what they intend into what they do the seven principles provide a simple and practical way to get things done ram charan coauthor of the new york times bestselling execution dave and norm do a great job about teaching leaders not just what to do but how to make sure that they do it the ideas in the book are insightful specific and actionable gina qiao svp human resources lenovo finally a how to book that is grounded in the real world dynamics of leading organizations dixon thayer ceo healthnext dave and norm provide both an in depth understanding of why we often fall short and a set of tools for getting on with it morgan w mccall jr professor marshall school of business university of southern california and author of high flyer leaders all over the world will celebrate dave and norm's powerful new gift the concept of leadership sustainability and its seven disciplines frances hesselbein president and ceo the frances hesselbein leadership institute finally we have two scholar practitioners who correctly address evidence that one of every two
