seminar paper from the year 2018 in the subject american studies culture and applied geography grade 1 7 university of frankfurt main language english abstract this paper focuses on what it means to be an american and if it is possible for people and immigrants with different cultural backgrounds to acquire an american identity in want to find out if the american exceptionalism and its three dimensions give an impression of what it means to gain an american identity obviously being american means to share the same values but it is not clear if it means to also share the same citizenship i take a close look at the idea of multiculturalism that challenges the current ideological solutions for equality and diversity in the united states trying to answer the question whether multiculturalism is or is not a threat to the idea of an american identity the meaning and consequences of national identification have long been the subject of debate among philosophers historian and social scientist the identification with the american country through national attachment pride and loyalty is self evident for many americans a national identity shared by fellow citizen creates a sense of unity and a bond of solidarity the question of what defines an identity or the american identity to be specific is not clarified what is clear however is the important and vast difference between a patriot who feels a sense of pride and love for his country while the nationalist views his country as superior with a desire to dominate other countries however both are bond by their trust for the american values freedom truth justice and the american way of life

this volume provides an innovative and timely approach to a fast growing yet still under studied field in latin american cultural production digital online culture it focuses on the transformations or continuations that cultural products and practices such as hypermedia fictions net art and online performance art as well as blogs films databases and other genre defying web based projects perform with respect to latin american ist discourses as well as their often contestatory positioning with respect to western hegemonic discourses as they circulate online the intellectual rationale for the volume is located at the crossroads of two equally important theoretical strands theories of digital culture in their majority the product of the anglophone academy and contemporary debates on latin american identity and culture

the wide variety of landsmanschaftn from politically radical and secular to orthodox and from fraternal order to congregation illustrates the diversity of influences on immigrant culture but nearly all of these societies adopted the democratic benefits and practices that were seen as the most positive aspects of american civic culture

why are americans identity narratives important for national security this thesis utilizes a qualitative approach to analyze american identity narratives in u s history and contemporary society the historic disagreement over the distribution of the fundamental american value of liberty makes the possibility of a cohesive national identity challenging given the effects of globalization advances in technology and changes in traditional demographic and sociocultural trends any form of a national level narrative based identity is not a feasible means to unify americans leaders must make domestic policy decisions that increase inclusiveness in american society and avoid valuing one identity over another policymakers must depart from divisive identity policies in favor of those that unify americans any attempt to shape the existing conflict in terms of identity is contrary to a cohesive society and more importantly threatens national security this research led to two policy recommendations first the united states must encourage separable identities and emphasize citizens as individuals rather than groups second policymakers must promote cross cutting ties since much of the division in the united states stems from the isolation from one another that many citizens experience revamped civic education and national service programs can serve to form those cross cutting ties i introduction a introduction b why identity matters c how americans define identity d research approach e thesis roadmap ii the evolution of american identity a american identity in history a complex tale b the identity debate a crack in the liberty bell c key moments in the evolution of american identity 1 the revolution 2 the civil war 3 women s suffrage 4 the civil rights movement d conclusion iii america s identity dysphoria a globalization s influence b the impact of technological advances c america s place in the world d other influencers of national identity 1 nationalism 2 public opinion 3 ethnicity 4 religion 5 class 6 political division 7 culture wars 8 identity politics e conclusion iv identity in rome and the u s s r a roman identity b soviet identity c summary v the way ahead a a common purpose e pluribus unum b three obstacles to unity 1 obstacle 1 assimilation and acculturation 2 obstacle 2 subnational identities 3 obstacle 3 subgroup suppression c one solution one national identity many individual identities d how to get there patriotic building blocks 1 civic education 2 national service vi concluding thoughts a takeaways b areas for future research list of references initial distribution list

this book uses national public opinion data and public opinion data from los angeles to compare ethnic differences in patriotism and ethnic identity and ethnic differences in support for multicultural norms and group conscious policies the authors find evidence of strong patriotism among all groups and the classic pattern of assimilation among the new wave of immigrants

essay from the year 2017 in the subject didactics for the subject english literature works language english abstract the namesake is the first novel from pulitzer winner jhumpa lahiri focusing on the division between assimilated american children and indian migrants the author analyzes ganguli family beginning with ashoke s close confrontation with death when he gets through a train crash in his homeland india apparently this took place when he was reading his cherished novel by nikolai gogol during his stay in the united states of america with his wife he chooses to name his newborn child gogol which was a pet name later this turns out to be his official name and gogol is oblivious of the importance behind it thus this piece analyses the american identity in the novel the namesake by exploring the role of family culture and environment in shaping american identity

american identities is a dazzling array of primary documents and critical essays culled from american history literature memoir and popular culture that explore major currents and trends in american history from 1945 to the present charts the rich multiplicity of american identities through the different lenses of race class and gender and shaped by common historical social processes such as migration families work and war includes editorial introductions for the volume and for each reading and study questions for each selection enables students to engage in the history making process while developing the skills crucial to interpreting rich and enduring cultural texts accompanied by an instructor's guide containing reading viewing and listening exercises interview questions bibliographies time lines and sample excerpts of students family histories for course use

cummings takes readers through the history of immigration in the united states through the perspective of immigrants citizens and policymakers while examining the social challenges faced in the past she includes critical thinking activities and encourages readers to analyze the effects of open immigration and of closing the borders to immigrants adapted from back cover

develops a social theory of national identity and uses methods to examine the importance of identity in the american context

the fourteen essays in this volume address the pros and cons of multiculturalism and explore its relationship with liberal democracy

ranging broadly from andrew jackson to bill clinton and george w bush stuckey demonstrates how presidents accomplish the dual enactment of inclusion and exclusion through their rhetorical and political choices our early leaders were preoccupied with balancing the growing nation later presidents were concerned with the nature and definitions of citizenship by examining the political speeches of presidents exemplifying distinctly different circumstances she presents a series of snapshots which when taken together reveal both the continuity and the changes in our national self understanding

ever since crevecoeur formulated his famous question americans have asked themselves what then is the american this new man and even more urgently so once it became predictable that the traditionally majoritarian position of anglo americans will dissolve in a sea of multi ethnicity what constitutes an american nation and produces collective identity among an extremely heterogeneous population this comparative issue is addressed by sociologist liah greenfeld in her introductory essay other essays contributed by historians and political scientists from the u s england and germany discuss historical developments and phenomena which have led to regional or group specific identities which in complex ways contribute to and interact with american national identity and nationalism

in the wake of the civil rights movement a new loosely organized social movement was born in the struggle for cultural representation rhea terms it the race pride movement and shows how american minorities carried the struggle for cultural inclusion into museums schools and universities yielding dramatic and lasting change

in this pathbreaking work the author integrates questions of justice and stability through a model of deliberative democracy in the plural polity deliberative democracy and the plural polity provides a realistic but critical reform agenda that can animate struggles for justice in an enormously diverse world

the election of barack obama as the 44th president of the united states has opened a new chapter in the country's long and often tortured history of inter racial and inter ethnic relations many relished in the inauguration of the country's first african american president an event foreseen by another white house aspirant senator robert kennedy four decades earlier what could have only

been categorized as a dream in the wake of brown vs board of education was now a reality some dared to contemplate a post racial america still soon after obama's election a small but persistent faction questioned his eligibility to hold office they insisted that obama was foreign born following the civil rights battles of the 20th century hate speech at least in public is no longer as free flowing as it had been perhaps xenophobia in a land of immigrants is the new rhetorical device to assail what which is non white and hence un american furthermore recent debates about immigration and racial profiling in arizona along with the battle over rewriting of history and civics textbooks in texas suggest that a post racial america is a long way off what roles do race ethnicity ancestry immigration status locus of birth play in the public and private conversations that defy and reinforce existing conceptions of what it means to be american this book exposes the changing and persistent notions of american identity in the age of obama am² lcar antonio barreto and richard l o bryant and an outstanding line up of contributors examine obama's election and reelection as watershed phenomena that will be exploited by the president's supporters and detractors to engage in different forms of narrating the american national saga despite the potential for major changes in rhetorical mythmaking they question whether american society has changed substantively
