biblical hermeneutics is a textbook for introductory courses in hermeneutics

the rise of modernity especially the european enlightenment and its aftermath has negatively impacted the way we understand the nature and interpretation of christian scripture in this introduction to biblical interpretation craig carter evaluates the problems of post enlightenment hermeneutics and offers an alternative approach exegesis in harmony with the great tradition carter argues for the validity of patristic christological exegesis showing that we must recover the nicene theological tradition as the context for contemporary exegesis and seeks to root both the nature and interpretation of scripture firmly in trinitarian orthodoxy

according to dr michael kyomya misconceptions about what the bible actually says can breed confusion and false ideas about god and the christian life therefore it is critically important that you know how to interpret scripture carefully dr michael kyomya explains what interpretation is why it is important how to do it and the pitfalls to avoid he illustrates his points with examples from his own experience and from sermons he has heard in africa dr kyomya makes it clear that interpretation is not just something for scholars but also is useful when preparing a sermon or a sunday school lesson as well as in your own personal study of the bible the writing is simple and clear and the illustrations are both amusing and informative full of ways to enrich personal study of the bible this guide will equip you with the knowledge and instruction you need

quoting verses without regard to context can have serious consequences in a guide to interpreting scripture dr michael kyomya illustrates what scriptural interpretation is why it is important how to do it and the pitfalls to avoid full of ways to enrich your personal study of the bible this guide will equip you with the knowledge and instruction you need

this is an introduction to general principles for interpreting the bible unit 1 lays the foundation as

we examine the need for principles to guide us the qualifications tools and goals of a biblical interpreter and the history of hermeneutics unit 2 is the core of the course it teaches students to study the historical and cultural background identify circles of literary context analyze word meanings and relationships and interpret various types of figurative language unit 3 deals with applying scripture it explores the relationship of the covenants to each other and to the kingdom of god then students learn to value and identify biblical principles based on a passage the study concludes by exploring the role of the holy spirit in interpreting and applying the word of god

the refugee that has come to your church the pastor of the immigrant church in your town and you yourself all come before the same bible even the same verse and walk away with completely different understandings and applications in an increasingly globalized and multicultural world how can we learn to see beyond our own cultural influences understand those of others and learn from each other in order to better understand and apply the word of god how do we stay faithful to the text when our contemporary cultural perspective is so different from the original author s this book will enable you to understand the common pitfalls and dangers related to cross cultural hermeneutics while also equipping you with principles and real life examples for how to interpret scripture in such situations additionally given the fact that our world is increasingly digitized and people are less and less likely to read we will consider the issue of oral hermeneutics and how those who can t read or choose not to read can interpret scripture faithfully

#### b the letter historical events reassessments

what distinguishes catholic exegesis from other approaches to interpreting scripture this study examines the pontifical biblical commission s document the interpretation of the bible in the church and derives from it twenty principles of catholic interpretation the meaning of each of these principles is explained and its significance is discussed in light of commentary on the biblical commission s document magisterial documents on scripture and contemporary scholarly discussion this volume includes a preface by card albert vanhoye formerly secretary of the pontifical biblical commission a bibliography of works about the commission s document and of works cited a general index and a glossary peter s williamson received his m a in theology from sacred heart seminary in detroit and his s t b s t l and s t d in biblical theology from the pontifical gregorian university in rome he is a married layman who has been involved for nearly 30 years in evangelization and pastoral ministry in the united states lithuania and kazakhstan

since god is an author who intends that his book be understood interpreting scripture isn t mysterious robert stein stresses it is like a game in which players readers follow the rules planned by the game s designer obeying the rules is necessary to dig deeper and avoid inaccurate subjective interpretation along the way readers learn what is at stake in such issues as inspiration inerrancy continuing revelation and the guidance of the spirit aids include exercises and discussion questions and a glossary of technical terms back cover
