the two short novels in this volume follow the adventures of two unlikely heroes delinquent pícaros living by their wits among corrupt priests and prostitutes beggars and idle gentlemen thieves tricksters and murderers *lazarillo de tormes* 1554 published anonymously provided a literary model for *cervantes don quixote* and describes the ingenious ruses employed by a boy from salamanca to outwit a succession of disreputable masters *francisco de quevedo* s *the swindler* 1626 is a comic yet brutal and sordid account of a servant who wants to become a gentleman but ends up a cardsharp and common criminal

there s more to spanish literature than *don quixote* in addition to miguel de cervantes saavedra s immortal classic spain produced the earliest evidence of works in a romance dialect debuted the picaresque genre and introduced the *don juan* figure to the world this guide analyzes the merits and shortcomings of nearly 300 english translations of 100 major works of spanish literature in poetry prose and theater each entry summarizes the importance of the author and the work discusses elements of the translations such as the source text formats supplementary material and translators methodology and provides commentary that evaluates the fidelity and readability of the translations and the utility of the supplementary material

even at the height of its popularity in the early nineteenth

century the historical novel faced criticism at many levels after its predominance in the 1810s and 1820s writers and historians shunned it as a travesty of their respective disciplines even so the historical novel has frequently attracted a wide ranging public right up to the present day brian hamnett examines key novels by authors including scott balzac manzoni dickens eliot flaubert fontane galván and tolstoy revealing the contradictions inherent in this form of fiction and exposing the challenges writers faced in attempting to represent a reality that linked past and present he argues that the historical novel in the nineteenth century was a common european phenomenon with considerable interconnection of themes and periods accordingly the book ranges from the british isles and france through the germanic territories italy and spain to the russian empire identifying the different objectives and phases of the historical novel although historical novels did appear in the two previous centuries the form came to maturity in the nineteenth century a consequence of the developing nature of history as a discipline distinct from literature and philosophy and the increasing primacy of the novel for writers and the reading public yet the frontiers between history and literature remained blurred and the two disciplines continued to influence one another as each sought a faithful representation of human experience
