the cult of performance leads our society to emphasise the values of success and continuous optimisation in all areas slowness redundancy and randomness are therefore negatively perceived olivier hamant in his book reclaims them by his knowledge of biological processes what can we learn from life sciences while some biological mechanisms certainly boast formidable efficiency recent advances instead highlight the fundamental role of errors incoherence or slowness in the robustness of living organisms should life be considered suboptimal to what extent could suboptimality become a counter model to the credo of performance and control in the anthropocene in the face of pessimistic observations and environmental alerts the author outlines solutions for a future that is viable and reconciled with nature key features solidly documents with a grounding in scientific facts focusing on solutions explores a pragmatic way towards robustness moving the debate beyond performance technolatry or degrowth responds to eco anxiety by providing an engaging and viable way forward

culled from extensive conversations the accompanying text brings to the reader the voice of an artist who regards painting as a physical necessity declaring that when i think of reality i think of a painted reality many of these images of generals and prostitutes lovers and solitary men horses and cows bishops and ladies gathered in gardens have never been published before

the work of contemporary colombian artist fernando botero is well known throughout the world his exaggerated rendering of fleshy human animal and still life figures has become an unmistakable characteristic of his style this beautifully illustrated volume is one of the few to focus solely on botero s sculpture which provides an ideal medium for his exploration of space and volume the book showcases works in small and medium format as well as the famous monumental works that have made botero the leading sculptor of the 20th century

this important and welcome volume is the first english language anthology of writings on latin american modern art of the twentieth century the book includes some fifty seminal essays and documents including statements interviews and manifestoes by artists that encompass the broad diversity of this emerging field many of these materials are difficult to access and some are translated here for the first time together the selections explore the breadth and depth of latin american modern art as well as its distinctive evolution apart from american and european art history included in this collection are fascinating ideas and insights on the impact of the avant garde in the 1920s the mexican mural movement surrealism and other fantasy based styles modern architecture geometric and optical art concrete and neo concrete art and political conceptualism for students and scholars of latin american art the volume offers an invaluable collection of primary and secondary sources

des ailes un ciel vert ou orange ou blanc des êtres ni hommes ni femmes au corps ovale bleu une bibliothèque infinie des dons des pouvoirs en se reliant au soleil et quelqu'un qui cherche quelqu'un toujours je m'appelle louna j'ai treize ans j'habite quelque part sur une drôle de planète qui porte le nom de terre on y trouve des forêts des montagnes des rivières et même des océans moi aussi loin que je regarde je vois des immeubles sales des voitures des gens qui crient qui mentent et je ne me sens pas de ce monde je n'ai pas de souvenir précis de mes premières années juste des images floues qui à la fois me font du bien et me donnent envie de pleurer j'ai l'impression d'avoir vécu ailleurs tout était très coloré

jean est le seul de sa famille à ne pas avoir hérité des dons de sorcellerie car la magie se transmet uniquement de mère en fille sa mère ses six tantes sa grand-mère et même sa petite sœur lisa disposent de pouvoirs extraordinaires mais quand un buveur de magie les fait disparaître les unes après les autres jean appelle son père qu'il ne connaît pas au secours simples humains vont-ils terrasser le dangereux buveur de magie et recréer une famille heureuse

seule survivante d'un groupe de pionniers après l'attaque de leur caravane une fille est recueillie par un peuple sylvestre et grandit à l'écart des hommes À l'adolescence elle décide de partir en quête de ses origines sous le nom d'ellana elle croise alors le plus grand maître marchombre jilano alhuïn qui la prend pour élève et l'initie aux secrets de sa guilde un apprentissage semé de rencontres et de dangers le pacte des marchombres invite le lecteur à pénétrer dans les arcanes d'une guilde aux pouvoirs extraordinaires et à suivre le destin d'ellana caldin héroïne prodigieuse par sa psychologie ses exploits physiques et son insatiable goût de la liberté

the drawings and watercolors handsomely illustrated in this volume provide a comprehensive overview of fernando botero's work in this media which has seldom been reproduced an introductory essay by prof edward j sullivan of new york university and biographical notes complete the catalogue and provide a framework for these superb but less well known works by botero with consummate technical ability this important twentieth century artist has revived the use of ancient materials sanguine charcoal sepia pencil wash and ink most of his drawings are executed on paper sometimes on canvas with great attention paid to the quality of the support botero uses a variety of drawing techniques some pieces are preparatory drawings for entire compositions usually quick sketches of a drawing or sculpture but the majority are independent works of art that rarely if ever repeat a composition the artist has executed in oils botero draws with affection each stroke of the pen or brush is applied with the knowledge that it will create another small but important part of the rich world populated by sensuous figures that has evolved throughout the years in the imagination of the artist these drawings compel us to

confront botero s art and personality even more directly than in his paintings in examining them with care we are privileged to receive a glimpse into the creative mind and fertile imagination of this master looking at his drawings we can almost follow the genesis of the artist s ideas it is as if we were seated at his side in intimate dialogue with him watching his hand create the simulacra of his inner imagination
