the years before world war i were a time of social and political ferment in europe which profoundly affected the art world a major center of this creative tumult was paris where many avant garde artists sought to transform modern art through their engagement with radical politics in this provocative study of art and anarchism in prewar france patricia leighen argues that anarchist aesthetics and a related politics of form played crucial roles in the development of modern art only to be suppressed by war fever and then forgotten leighen examines the circle of artists pablo picasso juan gris františek kupka maurice de vlaminck kees van dongen and others for whom anarchist politics drove the idea of avant garde art exploring how their aesthetic choices negotiated the myriad artistic languages operating in the decade before world war i whether they worked on large scale salon paintings political cartoons or avant garde abstractions these artists she shows were preoccupied with social criticism each sought an appropriate subject medium style and audience based on different conceptions of how art influences society and their choices constantly shifted as they responded to the dilemmas posed by contradictory anarchist ideas according to anarchist theorists art should expose the follies and iniquities of the present to the masses but it should also be the untrammelled expression of the emancipated individual and open a path to a new social order revealing how these ideas generated some of modernism s most telling contradictions among the prewar parisian avant garde the liberation of painting restores revolutionary activism

to the broader history of modern art
