the main part of this book for the jazz enthusiast is a collection of articles by thirteen contributors writing on different aspects
of jazz from big bill broonzy s blues in 1890 to post war developments during the past few years there has been fierce

partizanship between fans of the modern and the traditional movements and it is hoped that these articles will do much to clarify the aim of the various schools and remove some of the animosity which has arisen by establishing an objective critical formula by which all forms of jazz may be judged and appreciated mr mccarthy provides in addition a section of jazz information which gives a list of jazz magazines throughout the world and of jazz clubs in great britain notes on selected jazz books and information about recording companies and record magazines the book is illustrated by a remarkable collection of photographs by frederick ramsey jr and others
