j ai toujours été fasciné par le personnage de saint françois d assise l'un des plus impressionnants en son temps et jusqu'aujourd'hui de l'histoire médiévale d'abord par le personnage historique qui au cœur du tournant décisif du xiie au xiiie siècle où naît un moyen âge moderne et dynamique fait bouger la religion la civilisation et la société françois a joué un rôle décisif dans l'essor des nouveaux ordres mendiants diffusant un apostolat pour la nouvelle société chrétienne

enrichissant la spiritualité d'une dimension écologique au point d'apparaître comme l'inventeur d'un sentiment médiéval de la nature qui s'exprima dans la religion la littérature et l'art modèle d'un nouveau type de sainteté centré sur le Christ jusqu'à s'identifier à lui François est le premier à recevoir les stigmates mais l'homme aussi m'a fasciné alliant simplicité et prestige humilité et ascendant ouverture et refus physique ordinaire et rayonnement exceptionnel se présentant dans une authenticité accueillante qui permet d'imaginer une approche à la fois familière et distanciée François a été très tôt celui qui plus que tout autre m'a inspiré le désir d'en faire un objet d'histoire totale exemplaire pour le passé et le présent ce qui m'a retenu d'écrire cette vie c'est que j'étais absorbé par une réflexion et des travaux d'historien d'un caractère plus général et qu'en outre il existait d'excellentes biographies de François ne me satisfaisant pas aujourd'hui d'avoir investi l'essentiel de mon entreprise biographique dans un saint Louis très différent par son héros et par la dimension monumentale de ma tentative je me suis résolu à publier l'ensemble des textes que j'ai consacrés à saint François j. le Goff

Olivier Messiaen a research and information guide second edition presents researchers with the most significant and helpful resources on Olivier Messiaen one of the twentieth century's greatest composers with multiple indices this annotated bibliography will serve as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field the second edition has been fully revised and updated
