one of the most popular latin texts on the market learn to read latin helps high school and college students acquire the skills to read and appreciate the great works of latin literature it not only presents basic latin morphology and syntax with clear explanations and examples but also offers direct access to original unaltered latin texts as beginning students learn basic forms and grammar they also gain familiarity with patterns of latin word order and other features of style this second editionwhich now combines the first and second parts into a single textbookimproves upon an already strong foundation by streamlining grammatical explanations increasing the number of syntax and morphology drills and offering additional short and longer readings in latin prose and poetry

introduction to latin second edition is an introductory latin textbook designed with a streamlined flow that allows it to be completed in one year its concise and uncluttered approach gives students what they need to master the material grammar is integrated within the context of reading fluency innovative exercises provide translation practice as well as build instinctive skills that prepare students for reading authentic latin works features concise streamlined presentation focuses on what students need to know allowing the material to be covered in a year even for courses which meet only three days a week

innovative exercises that go beyond the usual translation practice engaging students with the mechanisms of the language and developing more instinctive skills succinct grammatical explanations that don't overwhelm the students with superfluous detail while also providing help for students with little or no understanding of english grammar latin readings from ancient sources in the form of both sentences and short passages allow for students to connect with authentic latin practical instructions often overlooked by other textbooks including reading a dictionary entry reading strategies sentence patterns gapping and expectations new to the second edition revised order of presentation that spreads material out more evenly between the first and second halves of the book derivatives exercises added at the end of each chapter providing practice connecting english words with their latin roots bridge to next level final three chapters provide review and include longer narrative readings with minimal editing to bridge students to the next level of latin revised selection of readings for more appropriate level of difficulty

the classic introductory latin textbook first published in 1956 and still the bestselling and most highly regarded textbook of its kind revised and expanded this sixth edition of classics professor frederic m wheelock's latin has all the features that have made it the bestselling single volume beginning latin textbook and more forty chapters with grammatical explanations and readings based on ancient roman authors self tutorial exercises with an answer key for independent study an extensive english latin latin english vocabulary section a rich selection of original latin readings unlike other textbooks which contain primarily made up latin texts etymological aids also includes maps of the mediterranean italy and the aegean area as well as numerous photographs illustrating aspects of classical culture mythology and historical and literary figures presented in the chapter readings

this innovative guide to the latin language written for a new generation of students deploys examples and translation exercises taken exclusively from the classical latin canon translation exercises use real latin from a variety of sources including political speeches letters history poetry and plays and from a range of authors including julius caesar cicero virgil catullus ovid and plautus among others offers a variety of engaging informative pedagogical features to help students practice and contextualize lessons in the main narrative prepares students for immersion in the great works of classical latin literature a companion website provides additional exercises and drills for students and teachers

learn latin from the romans is the only introductory latin textbook to feature texts written by ancient romans for latin learners these texts the colloquia consist of dialogues and narratives about daily life similar to those found in modern language textbooks today introducing learners to roman culture as well as to latin in an engaging accessible and enjoyable way students and instructors will find everything they need in one complete volume including clear explanations of grammatical concepts and how latin works both british and american orders for all noun and adjective paradigms 5 000 easy practice sentences and over 150 longer passages from the colloquia and a diverse range of other sources including inscriptions graffiti and christian texts as well as catullus cicero and virgil written by a leading latin linguist with decades of language teaching experience this textbook is suitable for introductory latin courses worldwide

during the roman empire greek speakers learned latin using textbooks that still offer special advantages authentic and enjoyable vignettes about the ancient world easy latin composed by romans insight into ancient learning practices this book makes the ancient latin learning materials available to modern students for the first time

founded in 1632 the library of the kiev mohyla academy went up in flames in 1780 encompassing predominantly humanist scholastic and homiletic titles in latin yet placed in a heartland of eastern orthodox territories the library was something of an anomaly for its time offering east slavic intellectuals a comprehensive introduction to western printed matter those books brought along with them not only a new pattern of knowledge but also an awareness of the diversity and multiplicity of views which the educated could hold

for nearly sixty years wheelock's latin has remained the opimus liber of beginning latin textbooks when professor frederic m wheelock's latin first appeared in 1956 the reviews extolled its thoroughness organization and conciseness one reviewer predicted that the book might well become the standard text for introducing students to elementary latin now nearly six decades later that prediction has certainly proved accurate this new edition of wheelock's latin has all of the features many of them improved and expanded that have made it the bestselling single volume beginning latin textbook 40 chapters with grammatical explanations and readings drawn from the works of rome's major prose and verse writers self tutorial exercises each with an answer key for independent study an extensive english latin latin english vocabulary section a rich selection of original latin readings unlike other latin textbooks which contain primarily made up texts etymological aids maps and dozens of images illustrating aspects of the classical culture and mythology presented in the chapter readings also included are expanded notes on the literary passages comments on vocabulary and translation tips new comprehension and discussion questions and new authentic classical latin readings including roman graffiti in every chapter

this book is an introductory latin textbook designed as an elementary drill book on the inflections and principles of latin grammar the book covers basic latin grammar and provides ample exercises for students to practice and reinforce their knowledge this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this guide to learning latin is an essential resource for anyone new to the language written with clarity and precision it offers a comprehensive overview of latin grammar and syntax with a wide range of practice exercises and reading selections to reinforce learning whether you're a student a teacher or just a curious language lover this book is the perfect introduction to the beauty and complexity of the latin language this work has been selected

by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

dr zaslavsky's the first latin course is informed by a double recognition first the recognition that the characteristics of a language must be presented in a holistic rather than in a fragmented way such an approach allows students to gain a comprehensive conceptual grasp of the characteristics of the language to be learned second the recognition that there has been a neglect even an outright abjuration of the teaching of english grammar that has prevailed in our schools for at least a third of a century which means that our students come to us grammar poor this textbook aims to enrich students grammatically by providing a comprehensive explanation of both english and latin grammar this makes it as useful to english teachers as a reference source as it is to latin teachers the following are the features that distinguish this latin textbook from the others that are currently available 1 it provides a clear explanation of the kind of language that latin is as opposed to english 2 it provides a clear and workable guide to translating from latin into english 3 it provides detailed step by step instructions for the construction of all latin forms 4 it provides straightforward explanations without superfluous refinements of latin grammar and syntax 5 it provides a full explanation of the english grammar that students need 6 it provides and employs rational and consistent principles of translation 7 it provides copious paradigms and a plethora of useful supplementary materials 8 it is out of a commitment to linguistic precision rigorously non sexist in its language use

latin is a living breathing language many of the english words you use today such as ad hoc memorandum et cetera and habitat are based on latin roots a basic understanding of latin will vastly improve your english vocabulary and provide keys to understanding legal medical and scientific nomenclature the everything learning latin book builds upon what you already know about english to teach you the basics of latin grammar usage and vocabulary through step by step instruction practical exercises and cultural information the everything learning latin book will have you speaking like a roman in no time other features include the history and evolution of the latin language extensive glossaries exercises pronunciation instruction

william c collar's textbook provides a comprehensive and accessible guide to learning latin the book is designed for beginners and provides clear explanations of grammar and syntax as well as exercises to reinforce understanding this is an excellent resource for anyone interested in learning latin regardless of prior experience this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank

you for being an important part of keeping this knowledge alive and relevant
