ellen quinn kept her sanity in the suffocating edinburgh suburb where she grew up by imagining it was a hotbed of intrigue a neglected child she s still looking for love as an adult and so she finds herself married to daniel how could she know that he would misbehave cora o brien is the total opposite outrageous and outspoken she inspires the children she teaches with her enthusiasm the city cant soften her highland lilt but her lifestyle would raise a few eyebrows back home but her vividness is a façade most of her secrets she s still keeping to herself fast friends from the start ellen and cora may have plenty to learn about life but they always have vodka and each other to talk to when the unexpected happens

leaving dirty jersey is the compellingly crafted tale of james salant s descent into crystal meth addiction written at the age of only twenty two this memoir chronicles his year long addiction with complete honesty and heartbreaking candour brought up in a stable middle class family the second son of two therapists he was introduced to heroin at seventeen by his brother joe this

resulted in a spell in rehab where he met a bunch of ex convicts and he soon fell into the thuggish drifting lifestyle of meth addiction it was to take a near psychotic event to finally get him to clean up with graphic descriptions of life on crystal meth the insatiable sex drive the paranoia the desperate need for more drugs to sustain the high james writing mimics the emotional detachment of the drug and the wired yet aimless life it induces his voice is so open and authentic it is hard to believe he is still so young given the nickname dirty jersey while living as a tough guy junkie in california james had it tattooed on the inside of his left arm there it remains as a graphic and permanent reminder of his past life as a junkie

this book is a political satire about the republican party it is meant to be amusing but it contains facts about the republican party that will directly impact middle class and poor people in a negative way i hope readers will enjoy this book and please get out and exercise your right to vote

i did have my own friends my own salary my health and tivo all the important things we re likely to take for granted still when it hit that i d now have to date again i panicked dating meant nightclubs heels and black it meant no thank you really i m full it meant matching bras and underwear clothes with the micro used to describe them because until you date again people will hiccup lines about getting back on horses so you invest in an agent provocateur whip and a subscription to an online dating service from straight up and dirty she had every girl s dream the perfect marriage to the perfect guy in the perfect apartment on the upper east side marriage fit stephanie klein like a glove but unfortunately it fit her husband like a noose and then just like that klein found herself divorced when you re firm fashionable and let s face it fetching celebrated blogger photographer and freelance writer stephanie klein lets it all hang out in this juicy tell all tracing her jump back into single life following her divorce on the dating advice of her therapist klein attempts to keep a pair and a spare of men always on hand and has lots of bawdy fun along the way but when the anniversary of the devastating breakup from her wasband forces her to revisit what happened she finds herself wanting more than her therapist s recommended gimmick to keep her emotionally safe straight up and dirty demonstrates that the true measure of success isn t what s crossed off life s to do list it s having the grace and fortitude to move through change curls intact and smiling
