the 10th anniversary edition champions do extra they sweep the sheds they follow the spearhead they keep a blue head they are good ancestors in legacy best selling author james kerr goes deep into the heart of the world s most successful sporting team the legendary all blacks of new zealand to reveal 15 powerful and practical lessons for leadership and business legacy is a unique inspiring handbook for leaders in all fields and asks what are the secrets of success sustained success how do you achieve world class standards day after day week after week year after year how do you handle pressure how do you train to win at the highest level what do you leave behind you after you re gone what will be your legacy

twenty one years after selling the company that i founded com tech communications for an enterprise value of over 1 billion arguably australia s first tech unicorn i decided to write a book drawing on over three decades of experience gee i m getting old and sharing some lessons that i hope will provide valuable advice to anyone looking to start a company or manage a good business since 1987 i have hired hundreds of outstanding people knowing that if i paid well listened to their valuable ideas and ensured that they loved coming to work every day i could still be part of something great even if i am the dumbest guy at the table these principles have formed the basis of my management style for over 30 years so much has changed from a technology perspective yet in some ways nothing has changed products come and go but you will always have customers staff and business partners how you treat these three constituents will be the difference between building a good company a great company an irrelevant company or one that simply disappears as a businessman david shein has lived up to his ideals don t be fooled by the title of the book this guy really knows his shit ian chappell

business law 2e is the new edition of a textbook that has been positively launched into the higher education market the text presents business law principles in a clear and easy to understand style the objective of a business law subject is to ensure that students acquire enough knowledge of the law of business so they can recognise and solve simple legal problems organise their affairs in order to avoid more complex or serious legal problems and appreciate the connection of legal principles within a range of commercial environments as the majority of students are required to study business law as part of either a commerce or business degree this textbook follows a functional approach to the study of business law rather than doctrinal so the principles of business law are contextualised within a business environment business students need to know more than what the law is they need to know where to find it how to read it how to use it and how it impacts on all facets of business students who use this textbook will develop a greater awareness of the law and its broad application to business and commercial environments

died may 11 1999

a book that reaches so deeply into the human experience that to read it is to be forever changed elizabeth day one night in october 2015 twenty year old morgan hehir went out with friends and never came home in the aftermath of his funny talented son s murder morgan s father colin began to keep an extraordinary diary it became a record of his family s grief the ensuing trial and his determined quest to uncover the shocking truth that the police had kept hidden inspired by this diary about a son is a groundbreaking work of creative non fiction that asks vital questions about the nature of justice and pays tribute to the unbreakable bond between a father and son shortlisted for the gordon burn prize
