critical analysis of the music of the iconic 1998 nintendo 64 video game more than twenty years after its creation the legend of zelda ocarina of time is still held in high critical regard as one of the finest examples of the video game medium the same is true of the game s music whose superlative reception continues to be evident whether in the context of the game or in orchestral concerts and recordings of the game s music given music s well established significance for the video game form it is no coincidence that music is placed at the forefront of this most lauded and loved of games in ocarina of time music connects and unifies all aspects of

the game from the narrative conceit to the interactive mechanics from the characters to the virtual worlds and even into the activity of legions of fans and gamers who play replay and reconfigure the music in an enduring cultural site that has ocarina of time at its center as video game music studies begins to mature into a coherent field it is now possible to take the theoretical apparatus and critical approaches that have been developed in antecedent scholarship and put these into practice in the context of an extended concrete game example the most extensive investigation into the music of a single game yet undertaken this book serves three important primary purposes first it provides a historical critical account of the music of an important video game text second it uses this investigation to explore wider issues in music and media studies including interactivity fan cultures and music and technology and third it serves as a model for future in depth studies of video game music

the legend of zelda is one of the most successful franchises of all time with nearly twenty video games and thirty years of history but it all started with a gold cartridge the legend of zelda encyclopedia deluxe edition honors the game that started it all by recreating the original gold cartridge as faithfully as possible the book comes with a black polypropylene sleeve lined with velvet flocking and a scale instruction booklet with fun theme appropriate material inside the cover is a gold foil paper with gloss lamination and a spot gritty varnish the details are embossed and debossed it has gold gilding on the top and foredge with black gilding on the bottom this book looks and feels so much like the original cartridge you might find yourself blowing into the bottom before you open it everything you ve ever wanted to know about the legend of zelda now in one collectable volume featuring rare and never before seen material on lore locations characters and much more this 328 page book is an exhaustive guide to the legend of zelda from the original the legend of zelda to twilight princess hd inside you ll discover even more insights on the lore of hyrule a comprehensive collection of items and enemies from potions to poes an expanded legend of zelda timeline maps screenshots and rare development sketches of your favorite characters an exclusive interview with series producer eiji aonuma and much more this the last of the goddess collection trilogy which includes hyrule historia and art artifacts is a treasure trove of explanations and information about every aspect of the legend of zelda universe celebrate over thirty years of the legend of zelda with a heartfelt homage to the origins of this legendary franchise

how does analyzing video games as hypertexts expand the landscape of research for video game rhetoricians and games studies scholars this is the first book to focus on how hypertext rhetoric impacts the five canons of rhetoric and to apply that hypertext rhetoric to the study of video games it also explores how ludonarrative agency is seized by players seeking to express themselves in ways that game makers did not necessarily intend when making the games that players around the world enjoy this book takes inspiration from the legend of zelda a series which players all over the world have spent decades deconstructing through online playthroughs speedruns and glitch hunts through these playthroughs players demonstrate their ability to craft their own

agency independent of the objectives built by the makers of these games creating new rhetorical situations worthy of analysis and consideration
