from explorer peter puget to bachelor johnson brothers whose farm became a regional museum
legendary locals of anderson island
chronicles the emergence of a way of life that unfailingly awakens echoes of days long past
anderson island the southernmost of all islands in washington state
s puget sound was settled in the late 1800s by immigrants predominantly from the scandinavian countries they naturally brought with them and practiced their old country ways of navigating farming and building in time due to its remoteness and relative inaccessibility a society of self reliant yet closely connected residents took root the subsistence farming logging and fishing practiced by the early pioneers have mostly given way to cottage industries or daily commutes to the mainland while retirement has become the majority occupation of today s islanders a vibrant community life continues to flourish centered around activities sponsored by the island s numerous volunteer staffed organizations

anderson island the southernmost of all islands in washington state s puget sound was settled in the late 1800s by immigrants predominantly from the scandinavian countries in time due to its remoteness and relative inaccessibility a society of self reliant yet closely connected residents took root

anderson island in puget sound exists as a kind of tiny autonomous world sharply defined by bitterly cold water deep enough to float a destroyer by dense fog and by dangerous tide rips caused by the narrow channels it is a community without an officer of the law a minister of the gospel or a doctor of medicine nevertheless it is a tightly knit and well organized microcosm in its wilderness environment hailed as a local classic by murray morgan and wallace stegner hazel heckman s story of this northwest island will have strong appeal for devotees of island life anywhere the pacific northwesterner will learn much about his native soil but this book will find an audience far beyond the shadows of mount rainier and the wild olympics it will be especially treasured by those who feel deep nostalgia for the leisurely pace of life in a small community wit depth of perception engaging literary style all are warmly present in this saga of a midwestern woman s experience with a new homeland an environment strange and very different from the dusty oklahoma country where she had lived for the previous twenty years feeling at first that the perpetual rain and gray skies were a high price to pay for a relatively comfortable year round climate mrs heckman came to like and eventually to love the northwest only after she discovered anderson island located near mcneil island in upper puget sound anderson has approximately ninety permanent residents most of them are descendants of the original scandinavian settlers of the island and they seem to have inherited the individualism and self reliance necessary to survive in a hostile environment thus modern innovations such as regular ferry service and electricity are comparatively recent developments this book is the lively chronicle of anderson island its history its residents its idiosyncrasies its commonplaces mrs heckman s lyrical evocations of the natural life have captured the essence of anderson island

named for alexander caulfield anderson the chief trader for the hudson s bay company at fort nisqually anderson island has an early history of brick making logging farming and fishing johnson s landing on the north end of the island was the site where mosquito fleet steamships could refuel and purchase lumber for delivery as far south as san francisco the first permanent settlers on the island arrived from denmark in the early 1870s with others of scandinavian descent coming shortly thereafter the southernmost island in washington state s puget sound accessible only by boat or ferry from steilacoom anderson island boasts two freshwater lakes two marinas and a golf course bucolic anderson island received national press coverage in 2005 when the flower fairy anonymously left floral bouquets on doorsteps a practice that continues to this day
