a renowned brontë scholar and dress historian s innovative richly illustrated biography explores charlotte brontë s life through her previously unresearched surviving wardrobe collectively these garments uncover a real feeling thinking woman who radically challenges our long held preconceptions

this expansive companion offers a set of fresh perspectives on the wealth of texts produced in and around what is now the united states highlights the diverse voices that constitute american literature embracing oral traditions slave narratives regional writing literature of the environment and more demonstrates that american literature was multicultural before europeans arrived on the continent and even more so thereafter offers three distinct paradigms for thinking about american literature focusing on genealogies of american literary study writers and issues and contemporary theories and practices enables students and researchers to generate richer more varied and more comprehensive readings of american literature

heretical hellenism examines sources such as theater history and popular journals to uncover the ways women acquired knowledge of greek literature history and philosophy and challenged traditional humanist assumptions about the uniformity of classical knowledge and about women s place in literary history

a lucid profoundly moving biography that challenges the established narrative to reveal the brontë family as they ve never been seen before charlotte brontë had a life as seemingly dramatic as her heroine jane eyre turning her back on her tragic past charlotte reinvented herself as an acclaimed author a mysterious celebrity and a passionate lover doing so meant burning many bridges but her sudden death left her friends and admirers with more questions than answers tasked with telling the truth about brontë s life her friend the novelist elizabeth gaskell uncovered secrets of illicit love family discord and professional rivalries more incredible than any fiction the result a tell all biography was so scandalous it was banned and rewritten twice in six months but not before it had given birth to the legend of the brontës the invention of charlotte brontë presents a different darker take on one of the most famous women writers of the nineteenth century showing charlotte to be a strong but flawed individual through evaluating key events as well as introducing new archival material into the story this lively biography challenges the established narrative to reveal the brontë family as they ve never been seen before

the oxford handbook of the history of youth culture features broadly contextualized historical case studies of youth cultures from around the world and over the past several centuries chapters focus on a wide range of issues and themes including youth agency gender self expression and the tension between community control and youthful independence

crammed with information the brontës in context shows how the brontës fiction interacts with the spirit of the time

toy stories analyzing the child in nineteenth century literature explores the stakes of recurrent depictions of children s violent damaging and tenuously restorative play with objects within a long nineteenth century of fictional and educational writing as vanessa smith shows us these scenes of aggression and anxiety cannot be squared with the standard picture of domestic childhood across that period instead they seem to attest to the kinds of enactments of infant distress we would normally associate with post psychoanalytic modernity creating a ripple effect in the literary texts that nest them regressing developmental narratives giving new value to wooden characters exposing realism s solid objects to odd fracture and troubling distinctions between artificial and authentic interiority toy stories is the first study to take these scenes of anger and overwhelm seriously challenging received ideas about both the nineteenth century and its literary forms radically re conceiving nineteenth century childhood and its literary depiction as anticipating the scenes theories and methodologies of early child analysis toy stories proposes a shared literary and psychoanalytic discernment about child s play that in turn provides a deep context for understanding both the development of the novel and the keen british uptake of melanie klein s and anna freud s interventions in child therapy in doing so the book provides a necessary reframing of the work of klein and freud and their fractious disagreement about the interior life of the child and its object mediated manifestations
