the interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood however research at the intersection of law literature and feminism has so far been limited and insular bringing together more than twenty international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship from reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts the volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to represent a diverse range of positions in terms of their gender career stage and nationality

1 global bestseller with more than 8 million copies sold meet elizabeth zott a gifted research chemist absurdly self assured and immune to social convention the washington post in 1960s california whose career takes a detour when she becomes the unlikely star of a beloved tv cooking show stream on apple tv this novel is irresistible satisfying and full of fuel the new york times book review and witty sometimes hilarious the catch 22 of early feminism stephen king via twitter a best book of the year the new york times washington post npr oprah daily entertainment

weekly newswest chemist elizabeth zott is not your average woman in fact elizabeth zott would be the first to point out that there is no such thing as an average woman but it s the early 1960s and her all male team at hastings research institute takes a very unscientific view of equality except for one calvin evans the lonely brilliant nobel prize nominated grudge holder who falls in love with of all things her mind true chemistry results but like science life is unpredictable which is why a few years later elizabeth zott finds herself not only a single mother but the reluctant star of america s most beloved cooking show supper at six elizabeth s unusual approach to cooking combine one tablespoon acetic acid with a pinch of sodium chloride proves revolutionary but as her following grows not everyone is happy because as it turns out elizabeth zott isn t just teaching women to cook she s daring them to change the status quo laugh out loud funny shrewdly observant and studded with a dazzling cast of supporting characters lessons in chemistry is as original and vibrant as its protagonist

when jodi bondi norgaard an experienced entrepreneur attempted to shake up the toy industry with a sports doll that appeals to today s more athletic adventurous girls she came to realize the roadblocks to success weren t only reluctant toy buyers but a patriarchal culture that perpetuates gender roles and sexism more than a doll is about her mission to break gender stereotypes and challenge the status quo through illuminating testimonials data research interviews and cultural observations readers will come away with clear examples of the dangers of early gender stereotyping and how we continue to fail to see the harm after all it s just a toy it s just a t shirt it s just a show bondi norgaard is sounding the siren that gender inequality doesn t begin in our teens it begins the moment a child can hold a toy or book or watch a screen the programming starts early and the impact is lifelong

this volume explores the theme of age and aging uniquely combining personal reflections from literature professors with sound scholarly analysis of a range of fiction and poetry bringing together leading literary scholars this collection of essays covers a range of writers and texts representing both the canon and new voices by combining the chapter authors expertise as literary and cultural critics with their own responses to novels short stories and poems the book offers new insights into the life trajectories made available to fiction and poetry readers through compelling narrative and vivid literary representation

the funny and inspiring multi award winning bestseller with more than 8 million copies sold now a major apple tv series starring brie larson a book of the year for guardian times sunday times new york times good house keeping woman home stylist tls oprah daily newswest mail on sunday npr india knight hay festival waterstones amazon books are my bag and many more the most charming life enhancing novel sunday times funny thought provoking and stylish guardian the best book i ve read recently i loved it sara cox bbc 2 between the covers everyone

needs to read this 5 star reader review a woman ahead of her time but exactly right for ours chemist elizabeth zott is not your average woman in fact she would be the first to point out that there is no such thing but it s the early 1960s and her all male team at hastings research institute take a very unscientific view of equality except for one calvin evans the lonely brilliant nobel prize nominated grudge holder who falls in love with of all things her mind like science life is unpredictable forced to leave her job at the institute elizabeth zott soon finds herself the reluctant star of america s most beloved cooking show supper at six elizabeth s unusual approach to cooking combine one tablespoon acetic acid with a pinch of sodium chloride proves revolutionary but as her following grows not everyone is happy because as it turns out elizabeth zott isn t just teaching women to cook she s daring them to change the status quo one molecule at a time a new york times top 100 best books of the 21st century reader s pick author of the year at the british book awards author of the year waterstones winner of the goodreads choice best debut novel award winner of the books are my bag reader s choice award winner of the books are my bag breakthrough author award shortlisted for the hwa crown award praise for lessons in chemistry laugh out loud funny and brimming with life generosity and courage rachel joyce bestselling author of the homemade god full of humour heartbreak and characters who feel like real people red magazine page turning and highly satisfying maggie shipstead bestselling author of great circle i loved lessons in chemistry and am devastated to have finished it nigella lawson a novel that sparks joy with every page elizabeth day bestselling author of magpie witty and sometimes hilarious the catch 22 of early feminism stephen king a beautiful sharp funny and dark modern classic i adored it chris whittaker bestselling author of all the colours of the dark the best book that i have read this year a funny warm unique book 5 star reader review witty poignant clever brilliantly plotted believe the hype 5 star reader review funny honest and heart wrenching this book had me hooked until the end 5 star reader review lessons in chemistry has sold over 8 million copies worldwide across all formats people january 2025 front cover may vary

this comprehensive summary of bonnie garmus s acclaimed novel lessons in chemistry provides readers with a high quality overview of the original book this summary covers all the main chapters of the novel and includes a detailed analysis of the main themes explored by the author whether you re a fan of the original book or simply looking for an in depth understanding of the story this summary is an excellent resource the expert analysis included in this summary will help you gain a deeper appreciation of the characters plot and underlying themes that make lessons in chemistry such a captivating read about the original book elizabeth zott a chemist is not your typical woman in actuality elizabeth zott would be the first to acknowledge the lack of a typical woman yet her all male hastings research institute staff has a highly unscientific perspective on equality because it is the early 1960s but for calvin evans the misanthropic bright and nobel prize nominee who falls in love with her

mind of all things results of true chemistry yet life is unpredictable just like science because of this elizabeth zott discovers herself to be a single mother and the unwilling star of dinner at six one of america's most popular cookery programs a few years later elizabeth's novel method of cooking combining a tablespoon of acetic acid with a dash of sodium chloride proves to be ground breaking yet not everyone is pleased as her fan base expands elizabeth zott isn't simply teaching women how to cook it turns out she is challenging them to alter the current situation lessons in chemistry is as unique and lively as its main character and is laugh out loud humorous astutely observant and filled with a sparkling ensemble of supporting characters so if you're looking for a high quality summary of this fascinating novel look no further than this expertly crafted resource

now fully revised and updated for its seventh edition inside book publishing is the classic introduction to the book publishing industry the book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing and sales angus phillips and giles clark offer authoritative and up to date coverage of all sectors of the industry from commercial fiction to educational publishing and academic journals they reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth in audio the topics explored include ai social media in marketing sustainable book production open access for research and diversity equity and inclusion international case studies from industry experts give perspectives on for example comic books children's picture books women in indian publishing and the korean literary wave as a manual for those in the profession and a guide for the publishers of the future this book remains a seminal work for anyone with an interest in the industry it will also be of interest to authors seeking an insider's view of this exciting industry the book is supported by online resources including a glossary a further reading list and links to a range of online resources available at [routledge.com/9781032516554](https://www.routledge.com/9781032516554)

shortlisted for the nigeria prize for literature read with jenna book club pick as featured on today npr best book of the year a vibrant coming of age story charmaine wilkerson i was completely immersed nita prose from the acclaimed author of wahala a stunning reimaging of jane austen's mansfield park split between england and nigeria two extraordinary cousins are set on vastly different paths as they come to terms with their shared family history a masterful exploration of race identity and love quiet funke is happy in nigeria she loves her art teacher mother her professor father and even her annoying little brother most of the time but when tragedy strikes she's sent to england a place she knows only from her mother's stories to her dismay she finds the much lauded estate dilapidated the food tasteless the weather grey worse still her mother's family are cold and distant with one exception her cousin liv free spirited liv has always wanted to break free of her joyless family she becomes fiercely protective of her little cousin and her warmth and

kindness give funke a place to heal the two girls grow into adulthood the closest of friends but the choices their mothers made haunt funke and liv and when a second tragedy occurs their friendship is torn apart against the long shadow of their shared family history each woman will struggle to chart a path forward separated by country misunderstanding and ambition moving between somerset and lagos over the course of two decades this motherless land is a sweeping examination of identity culture race and love that asks how we find belonging and whether a family's generational wrongs can be righted

elizabeth zott is a chemist not the typical female the first to point out that there is no such thing is elizabeth zott in fact but since her hastings research institute staff is entirely male and it's the early 1960s their perspective on equality is somewhat unscientific with one exception calvin evans the misanthropic bright and nobel prize nominee who ironically falls in love with her mind the outcomes of true chemistry life is irrational just like science in light of this elizabeth zott discovers herself to be a single mother a few years later and the reluctant star of supper at six the nation's most adored cookery program

an elegant deluxe edition of the 1 new york times bestseller marking the 2nd anniversary of its publication that will make the perfect gift or treat for yourself chemist elizabeth zott is not your average woman in fact elizabeth zott would be the first to point out there is no such thing but it's the early 1960s and her all male team at hastings research institute take a very unscientific view of equality when she finds herself unwed and pregnant she's forced out reluctantly taking a job as the host of the tv cooking show supper at six but elizabeth has no intention of sticking to the recipe instead she teaches women what they're really made of at the molecular level and in doing so dares them to change the status quo

warm and wise frankie is a woman worth getting to know bonnie garmus new york times bestselling author of lessons in chemistry from the internationally bestselling author and host of the graham norton show a dazzling and decades sweeping story about love bravery and what it means to live a significant life always on the periphery looking on young frankie howe was never quite sure enough of herself to take center stage after all life had already judged her harshly now old frankie finds it easier to forget the life that came before then damian a young irish caretaker arrives at her london flat there to keep an eye on her as she recovers from a fall a memory is sparked and the past crackles into life as damian listens to the story frankie has kept stored away all these years traveling from post war ireland to 1960s new york a city full of art larger than life characters and turmoil frankie shares a world in which friendship and chance encounters collide a place where for a while life blazes with an intensity that can't last but will perhaps live on in other ways and in other people

from the author of *Nightingale Point* longlisted for the Women's Prize for Fiction comes a new thought provoking and timely novel a sharp funny wonderful writer diana evans *Ordinary People*

life becomes busy does *Lessons in Chemistry* have a cluttered shelf instead focus on essential ideas presented in this updated overview and analysis if you haven't already buy *Lessons in Chemistry* right now to learn all the juicy facts 45 fundamental techniques are explored in *Lessons in Chemistry* to help students understand how to use restraint and power control these basic rules are a collection of attitudes actions and tactics you could employ to play the power game learn more about the no 1 global bestseller *Lessons in Chemistry* a novel by reading this in depth synopsis which includes insightful additions and page references to the original it was written to help readers understand and enjoy the book this tiny book succinctly captures the best parts of this explosive novel

miracles are notoriously unreliable but sometimes just when they're needed they turn up although not always in the form that we expect a novel luminous with love and hope that will change the way you see the world kathryn heyman *Awkward* hapless marick is still struggling with the loss of his wife his child and his faith when he is reluctantly thrust into the position of chaplain at a large public hospital shortly after arriving he meets hugo a hospital scientist and a man almost as lost as marick himself who is working in a forgotten lab deep in the subterranean realms of the hospital hugo is convinced that the bacteria he uses for protein production have unbelievably begun to produce gold is it alchemy evolution a hoax or even possibly a miracle in the meantime christmas is approaching the number of homeless outside the hospital is increasing the director of operational services is pressing marick about his weekly kpis you can't buy chocolate in the hospital shop anymore and marick keeps waking with nightmares at 4 am every night if ever a miracle was needed it's now a tender sweet sad gritty slyly funny and unexpectedly uplifting novel about family friendship faith love and alchemy *Tiny Uncertain Miracles* is a hopeful and luminous gift to all readers praise for *Tiny Uncertain Miracles* johnston captures the brutal reality of life with a lyricism and gentleness that will touch many readers of elizabeth strout mitch albom and eleanor oliphant is completely fine will find similarities and enjoyment in *Tiny Uncertain Miracles* books publishing charming the writing is sharp clever and delicate a joyous and moving read sydney morning herald a poignant heartfelt story about faith miracles friendship and forgiveness west australian *Tiny Uncertain Miracles* strikes gold written with warm empathy and deep intellectual rigour a writer working at the height of her skill the australian johnston has delivered a compelling and skilfully constructed novel full to brimming with families friendship the intricacies of flawed human behaviour and the frailty of the human body it will make you smile while breaking your heart fans of hilde hinton's *A Solitary Walk on the Moon* and eleanor oliphant is completely fine will find a home in their hearts for *Tiny Uncertain Miracles* readings johnston touches on difficult subjects

with a light hand and a gentle tone delivered through clean supple accessible prose there is a deceptive simplicity to the work which on closer inspection turns out to be the elegance of a right fit johnston has skilfully crafted a cohesive and engaging tale with an empowering message of hope and meaning *australian book review* michelle johnston s highly anticipated second novel is literary chiaroscuro with a dash of figurative pointillism johnston s prose stuns the usual writerly cliches masterful poetic nuanced evocative don t do her work adequate justice *tiny uncertain miracles* is an intelligent exploration of logical fallacies mysterious proteins and the unbearable fragility of life writing wa

absorbing lyrical vivid and compulsively readable *the heart is a star* is beautiful storytelling from a talented new writer a novel for fans of holly ringland jacqueline maley hannah richell layla byrnes is exhausted she s juggling a demanding job as an anaesthetist a disintegrating marriage her young kids and a needy lover and most particularly she s managing her histrionically unstable mother who repeatedly threatens to kill herself but this year it s different when her mother rings just before christmas she doesn t follow the usual script instead she tells layla that there s something she needs to tell her about her much loved father in response layla drops everything to rush to her childhood home on the wild west coast of tasmania she s determined to finally confront her mother and find out what really happened to her father and lay some demons to rest *the heart is a star* is an engrossing lyrical and powerfully absorbing novel about the complicated and beautiful messiness of midlife about the ways in which we navigate an intricate complicated world and about how we can uncover our true selves when we are forced to face the myths that make us tense heartbreaking and crackling with vivid honesty all those tiny telling details that have you nodding with recognition and wanting to gulp the book in one rush of a sitting i could not put this book down a new star is born in the writing firmament nikki gemmell captivating *the heart is a star* is a powerful novel with evocative and enticing language that will appeal to readers of richard flanagan and holly ringland rooted in feminine empowerment rogers debut is necessary and enthralling reading and will stay with the reader long after the last page books publishing powerful lyrical i was enthralled by its physical and emotional landscapes and compelled by its dark mysteries lee kofman the writer laid bare *the heart is a star* is a novel that will transport you christine balint *water music* a novel to treasure fragile tender honest raw and luminescent with hope mimi kwa *house of kwa* impressive a compelling story told with sensitivity and intelligence lyn yeowart *the silent listener* an unflinching beautiful interrogation of modern womanhood brimming with yearning and lyricism victoria brookman *burnt out soul* wrenching and heart mending in equal measure ailsa wild *the care factor*
