every poem in this book represents a part of me where I've come and gone within my mind. This book contains the most vulnerable parts of myself that I do not speak about often. I speak on my experiences and my own truths mixed with a little imagination. It talks about my ups and downs through my years on this earth, the good and the bad, the love, the loss, and a little more. I question my reality and what could be alongside with giving a little advice on how to cope with our everyday living. I hope you do enjoy this book and take away some of the things that I've learned and recognize that you aren't the only ones going through something, whether in the past, present, and future.
