Research shows that when learning a new language, students who read for pleasure make the most progress on vocabulary acquisition and are better at understanding grammar structures after several years of delivering audio and video lessons. Online Spanish to Move is publishing this book, which follows its unique formula: interesting stories carefully prepared to create subconscious patterns in the students. In this context, these stories will help you learn or practice Spanish, acquire new vocabulary, and go over the most used grammar structures without even thinking about grammar. Also, by focusing on short texts, you will remain engaged, focused, and motivated when you achieve specific learning goals. This book offers 39 stories designed to take you from simple to complex grammar structures on a variety of topics. You will find inspiring and motivational stories as well as anecdotes on many subjects ranging from geography and nature to history, psychology, and philosophy. The stories have been written mostly in present, past, and future tenses for beginner and intermediate students (levels A2, B1, and B2 of the Common European Framework of Reference for Languages).
