Anti-Asian Racism and Public Health Leveraging Intersectionality On Intersectionality Research Handbook on Intersectionality Navigating Intersectionality: How Race, Class, and Gender Overlap Introducing Intersectionality Intersectionality Intersectionality *Aggie J. Yellow Horse Fay Cobb Payton Kimberle Crenshaw Mary Romero Jamila Osman Mary Romero Patricia Hill Collins*

racist and xenophobic hate against asian americans in the midst of the covid pandemic has been a significant threat to asian americans health stemming from a deeply rooted yellow peril ideology which racializes asians as a threat to united states and western culture including re imagining asians as a diseased public health threat studies have documented that asian americans who have experienced anti asian racism during the pandemic report that they are more concerned about the racism than the pandemic itself and nearly one in five asian americans who experienced racism display racial trauma the psychological and emotional harm caused by racism

dr fay cobb payton is currently an associate professor of information systems at north carolina state university however her academic corporate and community accomplishments experiences and advocacy have touched individuals and organizations globally over the past twenty years in support of her passionate advocacy for the digital and social inclusion of all americans in both academia and corporate settings dr cobb payton has armed herself with a strong academic background tours within some of the country s top corporations and years of collaborative writing and lectures in her new book leveraging intersectionality seeing and not seeing dr fay as she is affectionately called offers a unique and careful examination of who is engaged in digital and social inclusion who is not and why everyone should be the foreword is written by johnnella e butler ed d provost and vice president for academic affairs at spelman college the messages and challenges contained in her engaging and creatively structured book represent over twenty five years of personal and professional collaboration and observations in both corporate and academic settings all of the papers and articles were first circulated in a number of respected peer reviewed scholarly publications the inclusion of this work as the underpinning of leveraging intersectionality seeing and not seeing is not just intended to simply comprise a good anthology of previously published works they are intended to illuminate for those who are not students of the topic how the dialogue evaluations and recommendations surrounding the idea of leveraging intersectionality have evolved over this period dr fay zealously believes that having respected leadership teams that represent a broad and strategic intersection of the world s population is critical to navigating the increasing diversity and global integration of the 21st century workforce in leveraging intersectionality she launches a new and fresh way of having an open dialogue and creating a mutual understanding around the clearly positive and productive ways leveraging intersectionality or li can benefit everyone dr fay calls them points of li exploration and points of li action this overt and positive approach has the potential to transform not only the way we think about diversity but also the way we think about leadership

over the past twenty years the concept of intersectionality has emerged as an influential approach to understanding the complex facets of discrimination and exclusion in a society whose members with often complex racial gender or sexual identities can experience bias in multiple ways in this incisive introduction to crenshaw s groundbreaking work readers will find the key essays and articles that have defined the concept of intersectionality collected together for the first time crenshaw explores how a holistic analysis of discrimination gives rise to a more nuanced understanding of salient social forces this long awaited volume examines the central park jogger case alice walker s the color purple lgbt activism anita hill s testimony against clarence thomas and other significant matters of public interest in each case her analysis challenges and exposes the intricate social dynamics among individuals and groups whose identities are increasingly layered this new

account covers the evolution of the meaning of intersectionality over the course of two decades and how this concept has radically changed the face of social justice activism on intersectionality is compulsory reading from one of the most brilliant critical race theorists of our time

critical intersectional scholarship enhances researchers and scholar activists ability to open novel research frontiers this forward thinking research handbook demonstrates how to pursue fluid and innovative research approaches identify differences from traditional methodologies and overcome the common challenges faced when carrying out intersectional research

in an era of political and cultural turmoil it seems like the united states is more divided than ever along lines of identity how are our experiences shaped by our race gender and class how do these identities intersect this textbook will give students in grades 7 to 12 a framework for navigating intersectionality and understanding how we can use this concept to enrich our understanding of identity power and justice in society

how can we hope to understand social inequality without considering race class and gender in tandem how do they interact with other categories such as sexuality citizenship and ableism how does an inclusive analysis of domination and privilege move us closer to solutions touching the lives of diverse populations in this clearly written book mary romero presents intersectionality as a core facet of the sociological imagination one dimensional approaches are no longer acceptable instead we must examine all systems of oppression simultaneously and how they integrate and work with or against each other to shape life experiences recognizing the dynamics of patriarchy capitalism and white supremacy romero shows how social inequality is maintained or minimized in various social settings and everyday sites of interaction drawing the theoretical threads together the book demonstrates intersectional approaches in action in relation to the care crisis and wealth divide to highlight the different understandings of these issues and their solutions arising from a comprehensive intersectional examination offering an overview of scholarly and activist tradition in the development of intersectionality and how to apply intersectionality as a lens to enrich our understandings of social life this introductory text will be an invaluable and welcome resource for all students of sociology

the concept of intersectionality has become a hot topic in academic and activist circles alike but what exactly does it mean and why has it emerged as such a vital lens through which to explore how social inequalities of race class gender sexuality age ability and ethnicity shape one another in this new book patricia hill collins and sirma bilge provide a much needed introduction to the field of intersectional knowledge and praxis they analyze the emergence growth and contours of the concept and show how intersectional frameworks speak to topics as diverse as human rights neoliberalism identity politics immigration hip hop global social protest diversity digital media black feminism in brazil violence and world cup soccer accessibly written and drawing on a plethora of lively examples to illustrate its arguments the book highlights intersectionality s potential for understanding inequality and bringing about social justice oriented change intersectionality will be an invaluable resource for anyone grappling with the main ideas debates and new directions in this field
