voices for justice is an educational guide to digital citizenship media literacy and peaceful civic engagement in the modern internet age in a world where headlines spread faster than facts this book helps readers understand how online narratives form how reputations can be shaped overnight and how ordinary people can respond responsibly without hate harassment or misinformation through accessible explanations and real world examples readers will learn how public petitions work why transparency matters and how to participate ethically in discussions about dignity human rights and freedom of expression the book emphasizes critical thinking compassion and constructive action showing how small choices like verifying information speaking respectfully and supporting accountability can create

meaningful change designed for global readers voices for justice is a practical thoughtful resource for anyone who wants to engage with sensitive issues wisely and humanely

in this biography of jewish and israeli humanists who are engaged in literature history journalism philosophy theology politics economics law education and the natural and applied sciences we tend to believe that they represent a group of 67 people who enjoy a humanist global way of thinking that is not intolerant of religion sect gender race or class but rather advocate of empathy humanity justice fairness compassion self determination human rights and the decent way of life for all we chose the title of the book voices for justice because justice transcends peace in that peace may be conditional on circumstances that may not achieve justice

student books contain reading material plus exercises to build skills in reading and writing

this book is a study of the concept of justice from interdisciplinary and global perspectives comprised of a dozen original articles the book discusses various meanings of justice the greek the biblical and the modern includes philosophical religious and ethical explorations of justice also the perspectives of several disciplines in the areas of humanities and social sciences such as literature fine arts history political science economics psychology sociology and law are employed in this study enabling the reader to obtain a scholarly understanding of the subject in great breadth selected instances of injustices found in some parts of the world and between certain groups are discussed and these include the conditions in the middle east and the soviet union as well as the relationship between sexes problems and issues are discussed from a global perspective

what is justice how does our legal system work how can we trust a system that is so changeable and widely criticised and are our laws really effective these are some of the fundamental questions that former supreme court judge ken crispin sets out to answer in this enlightening and thought provoking book the law is one of the cornerstones of western democracy and the judiciary one of its most cherished institutions from a heritage of feudalism and repression our highly complex criminal justice system has evolved to encompass a respect for social values and the rights of individuals recently however it has become obvious that rights such as freedom of speech freedom of association and freedom from detention without trial are becoming increasingly endangered the tough on crime rhetoric of police and politicians the war on drugs the reforms designed to increase conviction rates and the loss of rights due to fear of terrorism all point to an erosion of justice in western societies are we any safer as a consequence or could our flight from long defended principles actually be

making things worse ken crispin s wealth of experience on both sides of the bar from appearing for high profile defendants such as lindy and michael chamberlain to prosecuting murderers and rapists and later sitting on the act supreme court bench makes him the ideal guide for finding a way through these thorny legal thickets having witnessed the anguish of those crying out for justice throughout his career crispin lays bare the strengths and weaknesses of the legal system with great clarity and compassion compelling and easily comprehensible but never simplistic this is the definitive guide to justice as we know it

illuminating issues centering on the subject of peace this collection of rich ideas by leading intellectuals is intended to empower readers with the awareness of how subtle shifts in attitudes and behaviors can help attain and sustain a culture of peace fourteen contributors from diverse backgrounds and a vast range of perspectives and experience present their thoughts on how to create and foster a global culture of peace while enhancing an understanding of interrelated topics such as personal empowerment gender issues conflict resolution gang intervention value creating education and internationalism contributors include anwarul k chowdhury ambassador to the united nations for bangladesh betty williams recipient of the nobel peace prize jeffrey d sachs director of the earth institute and david krieger founder and president of the nuclear age peace foundation
