big ideas for little kids includes everything a teacher a parent or a college student needs to teach philosophy to elementary school children from picture books written in a clear and accessible style the book explains why it is important to allow young children access to philosophy during primary school education wartenberg also gives advice on how to construct a learner centered classroom in which children discuss philosophical issues with one another as they respond to open ended questions by saying whether they agree or disagree with what others have said

for young keyboard players a carefully graded collection of over 20 additional songs songs include brahm s lullaby the galway piper under the bamboo tree yankee doodle and many more all songs are played using both the treble and bass clefs

my book is to be shared with little ones such as toddlers and little younger ones we need to start early in teaching our children about god here we are using animals to teach our children about god and creation and how much god loves them
