a lost book from j oswald sanders now re released with a beautiful new cover many true lovers of the lord are beset with a sense of inadequacy and failure in living the christian life as it ought to be lived they yearn to know christ better and serve him more worthily it is to such that this little volume is addressed j oswald sanders from the introduction j oswald sanders best

known for his book spiritual leadership which has sold over a million copies touched hundreds of thousands of lives in his lifetime and continues to inspire christians today his books spiritual leadership spiritual maturity and the incomparable christ are beloved and well read to this day but there are two of his books that readers haven't had access to in over 30 years cultivation of christian character is one of them it's a profound and challenging book for anyone who earnestly wants to know god more sanders teaches you about spiritual struggle the healing power of scripture and how to fight spiritual warfare victoriously but most of all he shows you how to give up your self focus and take up a christ focus any christian who wants to grow will surely be benefited by this book

forty meditations for your journey toward christlikeness the christian life is a journey of spiritual and moral transformation into the glorious image and likeness of god's son the lord jesus christ this journey is lifelong we begin this journey when we first believe in jesus but will not reach our final destination until the final resurrection when our bodies will be raised transformed and glorified as we are fully and finally conformed to the image of christ as with any lengthy journey sometimes christians lose their way we can become disoriented and confused we mistake the terrain we have already traversed lose sight of the road on which we tread and forget the destination to which we travel sometimes we take detours or we get stuck on the side of the road all of us sometimes need help in to be like jesus brian g hedges provides a series of encouraging road signs brief meditations with questions for personal reflection and application to help you in your journey toward christlikeness

bible prophecy expert ron rhodes offers an easy to understand yet detailed chronology and explanation of end times events the chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy rhodes allows for various interpretations among christians yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many bible scholars as readers discover that they really can understand bible prophecy they will come to love and trust the scriptures like never before

the bible provides ancient wisdom and values that can lead to a life of great success today after years of biblical study and personal experience william douglas and rubens teixeira have identified twenty five key principles that

are of central importance to the pursuit of a successful career and life in this practical and powerful book readers will learn twenty five biblical laws of success cures for seven sins that block success what solomon teaches in proverbs about professional accomplishments the mindset that encourages personal development ten personal virtues coveted by the market how to have money and success with harmony and balance in life anyone who wants to succeed in a career or business will benefit from the 25 biblical laws of success

marcus laughlin has done the body of christ a great service in writing setting your compass to impact the world marcus writes what he lives using scripture as his guide he gives personal examples and practical insights to believers as to how they can be salt and light in the culture and community in which they live i wholeheartedly recommend this book to any believer who is serious about wanting live on a daily basis the faith they profess dr jarrett stephens teaching pastor prestonwood baptist church setting your compass to impact the world begins with a simple assertion that we must first know that we are loved by god this trusting that god is love can lead us by faith to trust his plan for our life we were created with gifts or abilities to fulfill gods plan and not our own ultimately this book helps each of us discover our purpose is to glorify god by fulfilling our loving saviors plans for our lives its time to reset our compass on the king and his kingdom mike fechner president and founder his bridgebuilders

in an era where selfishness unbridled ambition and division have nearly extinguished the flames of compassion envision a world reshaped by leaders from every walk of life serving as catalysts for a profound reawakening walking with the good samaritan delves into the transformative power of servant leadership rooted in the timeless teachings of christ this book challenges you to rise to the moment recognizing that you re calling as a leader is for such a pivotal time as this embracing these principles is not just an act of personal growth it s a step towards sparking a revival across every community and institution in our land as you dive deep into the heart of these teachings you will uncover how your commitment to these values can bridge divides heal wounds and ignite a widespread renewal together let s initiate a wave of transformation one act of genuine service at a time

synergistic collaborations is a valuable resource for christian ministers and social workers seeking to extend outreach ministries and new ways to collaborate with community organizations as they serve hurting people this unique book combines case studies theological reflections reality dialogue

questions personal experiences and research that broaden readers understanding of the synergistic relationship that naturally exists between pastoral care ministry and social work practices the authors challenge contemporary perceptions concerning how churches might help people affected by issues related to mental illness poverty hiv aids substance abuse homelessness and domestic violence with the aim of ameliorating existing church ministries this book offers opportunities to build the knowledge base and skills of readers as they explore christian ministries in relation to the many personal and social problems people face in our rapidly changing culture and society

there is without question a plethora of leaders in the world today however not every leader is effective according to god s design this book highlights the importance of effective leadership with a concentration on ten key areas that every christian leader should move towards this book is both thorough and profound while holding a sincere commitment to scripture the studies found in this book examines far ranging issues of effective leadership from internal character matters to external problems of systems the goal of this book is to address the diverse aspects of leadership with a deep sensitivity to the realities of the twenty first century and yet a deep commitment to the kingdom of god as revealed in scripture this book offers excellent development concepts for the beginning leader as well as for the seasoned leader effective leadership top 10 areas every christian leader should consider brings cohesion to diverse issues in such a way as to form a holistic approach to leadership this approach is both profoundly theological and yet practical in ways that can be applied in churches and organizations alike the practical applications are simple enough to implement yet developed enough to provide ongoing guidance for leaders and their organizations this is an insightful and needed book for leadership in the church and faith based organizations at large christian leaders should provide effective leadership to their organizations churches denominations and the world and the ten topics highlighted in this book will assist leaders in their pursuit of effective leadership

doctoral thesis dissertation from the year 2017 in the subject theology practical theology language english abstract historically sustainable healthy church depends on strong leadership platform this strong pastoral leadership is often lacking in our churches today thus the problems addressed how mentoring opportunities for young pastors are imperative for church leadership and its connection between mentoring and church healthy growth this project uses quantitative and descriptive methodological

approach in order to gain a balanced understanding for sustaining healthy growing of the church in lagos east baptist conference lebc through mentoring of young ministers for healthy church and leadership development it is a descriptive survey and a cross sectional study designed for demographic and attitudinal data collection on the role of mentoring young ministers on healthy growth of the church this research focused on 78 selected churches in lebc and addressed the manner in which their unique worldview has shaped their mentoring preferences it studies the nature of mentoring young pastors and the nature of mentoring platform needed for them to play this vital role in the church as part of this research current literature on the christian mentoring principle and practice were reviewed and related to the growth of the church it used case study research design and cases chosen represented a traditional and a hybrid approach to mentoring it evaluated data collected from one on one focused interviews according to three hypotheses a most healthy churches have pastors who have godly mentors b mentored pastors are organic factors in healthy sustainability of any church and c pastors who are not mentored after their seminary and bible college training with a mentoring relationship where life experiences are mutually shared and processed tend to be detrimental to himself family and ministry the research found that mentoring is a hallmark to healthy church growth and recommend denominational multiple mentoring opportunities like character formation emotional intelligence and skills and organizational capabilities development that meet the needs of pastors and proposed for further research on mentoree turning against their mentors

this journal attempts to fill a gap between the general interest press and other academic economics journals its articles relate to active lines of economics research economic analysis of public policy issues state of the art economic thinking and directions for future research it also aims to provide material for classroom use and to address issues relating to the economics profession

a renowned christian leader shares practical principles for knowing god s will for your life and for enjoying his continual guidance sanders says that the ultimate answer to the quest of knowing god s will is to know god himself out of such intimacy comes the ability to discern the will of god in a given situation a source of wise counsel for anyone who wants to know what god s will is for their lives

in recent years research interest has increased both in the needs of

punishment by the public and in the psychological processes underlying decisions on sentencing this comprehensive look at the social psychology of punishment focuses on recent advances and presents new findings based on the authors own empirical research chapters explore the application of social psychology and social cognitive theories to decision making in the context of punishments by judges and the punitiveness of laymen the book also highlights the different legal systems in the uk us and europe discussing how attitudes to punishment can change in the context of cultural and social development

genocide in the middle east describes the genocide of the armenians greeks and assyrians of the ottoman empire in the nineteenth and early twentieth centuries of the kurds and other persons living under saddam hussein in northern iraq in the late 1980s and of the dinka nuba fur masalit and zaghawa peoples of sudan from the 1970s to the present it situates these crimes in their historical context as outgrowths of intolerant religious traditions imperialism and the rise of the nation state cold war insurgencies and counterinsurgencies and the global competition for resources and markets at the expense of indigenous peoples this requires a more thorough investigation of the case law on genocide than has been attempted in the literature on genocide to date including detailed accounts of the prosecutions of the leaders of the ottoman empire after world war i of saddam hussein and other iraqi officials after operation iraqi freedom and of president omar hassan al bashir and other leaders of sudan by the international criminal court finally the book explores emerging problems of genocidal terrorism cultural genocide and structural genocide due to starvation disease and displacement the field of genocide studies has grown rapidly in recent years fueled by interest in the armenian genocide the wars in the former yugoslavia and iraq and the widespread massacres in southern sudan and darfur while several comparative studies of the armenian genocide the holocaust and other genocides have been published none of them focuses on genocide in the middle east and north africa since the nineteenth century this book provides a comprehensive history of genocide in the broader islamic world with a particular focus on the twentieth century it is of interest to general readers undergraduates graduate students academics journalists and legal professionals and will be useful as a text for courses on international law international criminal law law and religion middle east studies international relations public policy criminal justice or world history the comprehensive research is breath takingly evident this historical account of the lesser known genocidal conflicts is incredibly

revealing perhaps the best thing one could say about this book is that the familiar adage those who ignore history are bound to repeat it reverberates throughout this intensely engaging volume asil un21 newsletter this ambitious book in its research and coverage tells a sorry tale of mankind s inhumanity and intolerance over millennia of genocidal deeds and rhetoric a fast moving narrative reaches from biblical times to darfur describing tragic events accompanied by selective quotations from their participants and observers genocide may be a recently invented term but its occurrences based on a variety of causes and reasons seem to have been a deep part of the human experience of group interactions henry steiner professor of law emeritus harvard law school and co author international human rights in context law politics morals oxford and new york oxford university press 3d ed 2007 in genocide in the middle east hannibal travis breaks new ground in genocide studies by unveiling the full panoply of genocidal processes in the middle east and west asia as no previous scholar has but he does much more in terms of its twentieth and twenty first century coverage this is simply the most expansive detailed and up to date history of genocide we possess adam jones associate professor political science university of british columbia okanagan and author of genocide a comprehensive introduction london routledge 2006 professor travis study of genocide and the contribution he makes for a better understanding of the assyrian one is an invaluable event this is not a book of sociology but of historical review and analysis as such it deserves the highest of accolades journal of assyrian academic studies
