life in the spirit is the third volume of thomas oden s systematic theology it considers the presence of the holy spirit in history and his power in the lives and communities of present day believers

the final volume in a three volume systematic theology by a major american theologian

this volume is a meticulously researched text on pneumatology which puts the major pneumatological issues together without confining to the traditional way of dealing with the doctrine of the holy spirit although pneumatology has been a neglected field in theological discussions of the past there is a renewal of interest among theologians on pneumatology today this renewal of interest has led to the formation of this work on the role of the holy spirit in the protestant systematic theology through highlighting the role and significance of the holy spirit in the whole divine action this volume contends that pneumatology is not a dull theological locus but rather an essential theological disposition relevant for today the detailed arguments found within challenge and inspire the contemporary pneumatological discussions as it relates to all the facets of theological reflection and action

wayne grudem s systematic theology is required reading in many courses on biblical theology and with good reason the textbook s emphasis on the scriptural basis for each doctrine along with its clear writing and contemporary approach make it an indispensable resource for many christians this series presents as a separate book each of the seven main parts that make up the 1 600 page systematic theology making it more portable affordable and less daunting part 4 making sense of christ and the spirit explores jesus christ as fully god and fully man in one person important topics include the person of christ including the virgin birth uniting full deity and humanity in one person while enabling christ s humanity to be without inherited sin and the incarnation the act of god the son whereby he took himself a human nature the doctrine of the atonement the work christ did in his life and death to earn our salvation jesus resurrection and ascension affirming the goodness of god s original creation of man as a creature with a physical body that was very good and

his rightful place in glory and honor that had not been his before as the god man written in a friendly tone appealing to the emotions and the spirit as well as the intellect making sense of christ and the spirit helps readers overcome wrong ideas make better decisions on new questions and grow as christians

who is the holy spirit and how does the spirit come to be in relation to the father and the son what is the mission of the spirit and where does it come from chris holmes takes up the questions surrounding the spirit s procession and mission with the help of three of the church s greatest teachers augustine thomas aquinas and karl barth drawing on their engagements with the fourth gospel holmes presents an account of the spirit s identity origin and acts to show how the acts of the spirit derive from the spirit s life in relation to father and son and the extent to which the spirit s mission testifies to the spirit s origin holmes presents a way forward for pneumatology housed within the doctrine of the trinity pneumatology s joyful task is to describe the spirit s acts among us in light of their source in the spirit s acts in god the end of this inquiry is our beatitude knowledge of the trinity that yields to love of the trinity about the series new studies in dogmatics seeks to retrieve the riches of christian doctrine for the sake of contemporary theological renewal following in the tradition of g c berkouwer s studies in dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of christian doctrine for a contemporary evangelical audience the editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the word of god as professed in its creeds councils and confessions and by its most trusted teachers

here is catechesis at its best instructing the student of theology providing pastors with a sermon enriching manual and giving growing christians a resource book that will both inform and nourish them as well as provide endless theological enjoyment sinclair b ferguson chancellor s professor of systematic theology reformed theological seminary teaching fellow ligonier ministries the aim of systematic theology is to engage not only the head but also the heart and hands only recently has the church compartmentalized these

aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience this multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive reformed and experiential approach in this volume joel r beeke and paul m smalley unpack the work and role of the holy spirit pneumatology and salvation soteriology the authors examine the holy spirit s role in the history of salvation the order of salvation and the believers experience of salvation as readers consider the interrelationship between the spirit and salvation they are invited to explore the direct activity of the lord in their lives for their salvation

academy of parish clergy top ten book theology is the doctrine of living unto god wrote the puritan theologian william ames unfortunately post enlightenment theology has tended to divorce doctrine from living unto god and to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished spiritual theology is a rare book in it simon chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between christian doctrine and christian living and drawing out the spiritual implications of particular aspects of systematic theology allowing rational formulations to drop into the background he brings the mystery of the faith to the fore chan begins with the principal doctrines of god sin salvation and the church he then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction unabashedly evangelical and truly ecumenical chan grounds his exploration in the sources of the protestant catholic and orthodox traditions his work is well abreast of contemporary theological currents and crossculturally conversant from an asian perspective spiritual theology is a book for those who care deeply about theology and spirituality and strive to integrate the two it is well worth careful reflection and prayerful reading

systematic theology 101 the holy spirit by al watson provides a clear and comprehensive study of the person presence and power of the holy spirit as revealed in scripture designed for students pastors and everyday believers this volume explores the holy spirit s vital role in the life of the believer and the mission of the church beginning with the biblical

foundation of the spirit's deity and personality Watson walks readers through key doctrines such as the spirit's work in creation inspiration of scripture regeneration sanctification spiritual gifts and the empowerment for ministry and witness the book also addresses common misunderstandings and theological controversies always returning to the authority of scripture as the final guide written in accessible language with pastoral warmth the holy spirit is both theologically grounded and practically oriented each chapter includes biblical references key truths and reflection points ideal for classroom use small groups or personal growth at its heart this book aims to awaken a deeper understanding and reliance on the holy spirit in every believer's life and to stir fresh devotion to the god who dwells within us

the book is divided into three parts part one provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature including Josephus Philo and the mishnah part two investigates the thinking of key Christian theologians on the holy spirit from the apostolic fathers to eighteenth century authors such as John Wesley and Jonathan Edwards part three examines more recent writings on the spirit from the nineteenth century onwards including major systematic theologians such as Schleiermacher Barth and Moltmann as well as biblical scholars such as James D G Dunn Gordon Fee and Gerd Theissen Thiselton concludes the entire study by identifying seven fundamental themes and calling for greater dialogue between mainstream scholarship and contemporary leaders of the pentecostal and renewal movements

one of the most exciting recent developments in theology has been an unprecedented interest in the person and work of the holy spirit in fact Veli Matti Karkkainen describes this phenomenon as a pneumatological renaissance but such discussion should be informed he contends by two overarching principles first we must acknowledge the variety of approaches to the experience of the holy spirit ecumenically no church can claim a monopoly on the spirit and no tradition is specifically spirited second talk about the spirit must always be contextual and therefore culture specific the spirit of God indwells believers and creation in specific and tangible ways working from this perspective the book introduces readers to pneumatology the theology and spirituality of the holy spirit in current international theology as such the work offers a biblical historical and theological

assessment of the third person of the trinity however unlike most textbooks on pneumatology karkkainen takes a fresh innovative approach rather than focusing on any single topic his aim is to chart the various territories of contemporary writings and reflections on pneumatology consequently the volume examines various theological and denominational understandings of the spirit all major christian traditions are reviewed assesses key contemporary theologians of the spirit e g pannenberg moltmann and pinnock and inquires into several contextual approaches e g liberation feminist and green these distinctives and the emphasis on the contemporary global scene make this a unique volume an up to date survey of the most noteworthy and theologically pregnant orientations to the spirit in the worldwide ecumenical and intercultural scene this work will guide readers in discerning the holy spirit s activity at the beginning of the third millennium discusses ecumenical international and contextual pneumatologies ecumenical emphasis ranges from eastern orthodox to pentecostal charismatic international scope gives voice to african and latin american perspectives covers major pneumatologies provides a comprehensive bibliography
