this translation of a tibetan treasure text tells the story of the indian heroine princess mandarava principal consort of the eighth century indian master padmasambhava recounting her struggles and triumphs as a buddhist teacher in her many lives

natural liberation is concerned with taking the commonplace events of life and death and turning them into opportunities for the highest liberation in this work padmasambhava the great 9th century indian master who established buddhism in tibet describes in detail six life processes and shows how to transform them into vehicles for enlightenment

a spiritual classic along the lines of the tibetan book of the dead this text is a clear and accessible guide to the essence of dzogchen and the attainment of buddhahood a text belonging to the same cycle as the tibetan book of the dead this instruction on the method of self liberation presents the essence of dzogchen the great perfection regarded in tibet as the highest and most esoteric teaching of the buddha teaching the attainment of buddhahood in a single lifetime this text was written and concealed by guru padmasambhava in the eighth century and rediscovered six centuries later by karma lingpa the commentary by the translator is based on the oral teachings of namkhai norbu rinpoche and lama tharchin rinpoche

to introduce this great published work on the eastern yoga inspired method of attaining enlightenment evans wentz presents 100 pages of explanatory notes psychoanalyst c g jung offers commentary on the differences between eastern and western thought and donald s lopez jr writes the foreword 9 halftones

science has long treated religion as a set of personal beliefs that have little to do with a rational understanding of the mind and the universe however b alan wallace a respected buddhist scholar proposes that the contemplative methodologies of buddhism and of western science are capable of being integrated into a single discipline contemplative science the science of consciousness introduces first person methods of investigating the mind through buddhist contemplative techniques such as samatha an organized detailed system of training the attention just as scientists make observations and conduct experiments with the aid of technology contemplatives have long tested their own theories with the help of highly developed meditative skills of observation and experimentation contemplative science allows for a deeper knowledge of mental phenomena including a wide range of states of consciousness and its emphasis on strict mental discipline counteracts the effects of conative intention and desire attentional cognitive and affective imbalances just as behaviorism psychology and neuroscience have all shed light on the cognitive processes that enable us to survive and flourish contemplative science offers a groundbreaking perspective for expanding our capacity to realize genuine well being it also forges a link between the material world and the realm of the subconscious that transcends the traditional science based understanding of the self

don t mistake mere words to be the meaning of the teachings mingle the practice with your own being and attain liberation from samsara right now padmasambhava padmasambhava is the primary master of vajrayana the teachings for our time out of his great compassion and wisdom he instructed his main disciple yeshe tsogyal to conceal terma treasures to be revealed at the destined time for future practitioners the profundity of this advice is meant to be personally applied by all individuals in all circumstances it is a classic work which contains valid truth for anyone who sincerely wants to follow a spiritual path the chief compiler of padmasambhava s teachings was yeshe tsogyal an emanation of a female buddha there may be some people who believe that only men

can attain enlightenment but her life is proof to the opposite the awakened state of mind is neither male or female tulku urgyen rinpoche from introductory teachings

trapped for decades a powerful god seeks freedom and revenge but the only thing that can save him is the passion of a woman s touch emma keane is your average city girl trying to get a date there s just one thing holding her back the disembodied male voice speaking to her through her mind sound kind of crazy maybe but crazy turns downright deadly when the voice persuades her to travel to the wilds of the mayan jungle there she will free his body his incredibly hot muscled naked body humans are so frail so undisciplined so susceptible to love and when this ancient being connects with emma the feelings she sparks drive him utterly mad protective keep her close never let her go kind of mad which might not be such a bad thing because from the moment the beautiful passionate emma unshackles his body they are hunted at every turn now he ll have to do everything in his power to keep her safe but will it be enough the accidentally yours series book 1 accidentally in love with a god book 2 accidentally married to a vampire book 3 sun god seeks surrogate book 3 5 accidentally evil a novella book 4 vampires need not apply book 4 5 accidentally cimil a novella coming in january 2014 book 5 accidentally over coming in august 2014

meditation offers in addition to its many other benefits a method for achieving previously inconceivable levels of concentration author b alan wallace has nearly thirty years practice in attention enhancing meditation including a retreat he performed under the guidance of the dalai lama an active participant in the much publicized dialogues between buddhists and scientists alan is uniquely qualified to speak intelligently to both camps and the attention revolution is the definitive presentation of his knowledge beginning by pointing out the ill effects that follow from our inability to focus wallace moves on to explore a systematic path of meditation to deepen our capacity for deep concentration the result is an exciting rewarding expedition of the mind tracing everything from the confusion at the bottom of the trail to the extraordinary clarity and power that come with making it to the top along the way the author also provides interludes and complementary practices for cultivating love compassion and clarity in our waking and dreaming lives attention is the key that makes personal change possible and the good news is that it can be trained this book shows how

this manual of tibetan meditation simply and thoroughly presents the profound dzogchen and mahamudra systems of practice karma chagm  sets forth the stages of meditation practice including the cultivation of meditative quiescence and insight the experiential identification of awareness and the highest steps

of mahamudra and atiyoga leading to perfect enlightenment in one lifetime drawing from his enormous textual erudition and mastery of tibetan oral traditions he shows how these two meditative systems can be unified into a single integrated approach to realizing the ultimate nature of consciousness
