in life of an american workman walter p chrysler with the aid of boyden sparkes crafts an autobiographical narrative that is as much a testament to the american dream as it is a personal memoir through a vivid recounting of his rise from railroad apprentice to founder of the chrysler corporation chrysler espouses the virtues of hard work innovation and determination the literary style is straightforward and earnest resonant of the time honored american autobiography tradition amid the context of the burgeoning industrial age chrysler s story embodies the spirit of entrepreneurship and the ever relevant pursuit of self made success this digicat publishing edition ensures that chrysler s ethos and historical significance are preserved and presented with the reverence merited by a classic of world literature walter p chrysler s journey from small town kansas to the pinnacle of american industry is inextricably linked with the pioneering era of the automobile reflecting a period when industriousness was the nation s heartbeat the inherent authenticity of chrysler s voice with insights from his collaborator boyden sparkes originates from firsthand experience and an intimate knowledge of mechanical innovation chrysler s narrative is not merely a blueprint to success in business it is imbued with the historical significance of a man who played a pivotal role in shaping american manufacturing and whose legacy continues to influence the automotive industry life of an american workman is a quintessential addition to the libraries of those intrigued by the convergence of biography history and business its authentic depiction of one man s contribution to the industrial fabric of the united states makes it a seminal work for anyone interested in the metamorphosis of the american economy in the 20th century readers seeking inspiration in leadership entrepreneurship or simply in the perseverance of the human spirit will find chrysler

s account to be both enlightening and invigorating it stands not just as a personal chronicle but as an artifact of american industrial heritage

bonded leather binding

excerpt from the american workman emile levasscur the author of the american workman is a sincere and earnest man the position he has occupied for more than a generation in the learned circles of europe he owes not alone to his industry knowledge and faculty for expression but to a penetrating intellect and an unusual quality of final judgment of principles and events it is valuable to have the vast material embraced in the present study pass through the mind of such a man and to have his pronouncements upon the important questions raised it will be found that he has brought to the task an admirable understanding of america and sympathy with it his comprehensive knowledge of the past and of cotemporary conditions elsewhere and his long experience as a leader of thought in his own country enable him to give to the subject a proper perspective moreover the tribute he pays to american ingenuity and progress comes with better grace from him and bears a stamp of greater impartiality than if emanating from one of our own citizens the translator thomas s adams is a thoroughly trained economist his work has been faithfully and ably done added value has been given the study by the degree to which mr adams has enlarged the statistics so far as possible all statistics have been brought down to date where the early figures had no particular significance they were simply replaced by later ones in other cases a new note has been added or an old one expanded the additions of the translator are noted thus tr professor richard t ely brings to the attention of the editor the fact that his labor movement in america referred to by professor levasseur was written nearly fifteen years ago that not merely have conditions changed since then but that he has modified somewhat the opinions expressed therein about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page
