v 1 Children and Parenting v 2 Biology and Ecology of Parenting v 3 Status and Social Conditions of Parenting v 4 Applied and Practical Parenting

This best selling book discusses the aspects of "successful aging" covering growth and development from young adulthood to old age and the impact that culture, gender and individual differences have on these processes. Its conversational and positive tone keeps readers interested in the subject matter as it encourages them to apply the concepts of the book to their own lives. It presents research findings, theories and models from the fields of developmental psychology, social psychology, health psychology, sociology and others to discuss topics of prevention, compensation, gains and losses for psychologists, sociologists and gerontologists interested in a valuable resource for information about the aging process.

This text, while strongly academic, comprehensive, practical and contemporary, offers an exceptionally warm and personalized writing style appropriate to the subject matter. It offers both a multi-disciplinary approach and a cross-cultural perspective. Unique "Caring Insight" feature supplies practical, helpful tips for the reader. Chapter 12, "Resources," is a comprehensive guide to organizations, periodicals, books and sites.

Connect with Life Span Development and Connect with Success. Informed and driven by research at McGraw Hill, we have spent thousands of hours with you and your students working to understand the key needs and concerns you face in human development courses. The most common topics raised include managing the vast amount of content inherent to a lifespan course and ensuring the dependability of the assigned material is it current and accurate. The result of this research is John Santrock's Life Span Development. Life Span Development ensures students complete and understand the assigned material in a number of ways. Santrock's hallmark learning goals pedagogy provides a comprehensive roadmap to the text material, clearly pointing out the core concepts fundamental to students' learning and performance. An adaptive diagnostic tool increases students' efficiency in studying by identifying what they know and don't know and providing in-the-moment guides to learning what they do not. The research and development of the 13th edition indicated that students said that highlighting connections among the different aspects of life span development would help them to better understand the concepts. This recurring theme of connections, developmental connections, topical connections, connecting development to life, connecting with careers and connections through research ties together concepts from across chapters to reinforce the learning process and connects the material to students' everyday lives and future aspirations. And the new Milestones video and assessment program helps bring the course material to life so your students can witness development as it unfolds. And of course, all of this material is informed by Life Span Development's unique board of expert contributors, a who's who of developmental psychology who ensure the material is as accurate and up to date as possible.
