we must all weather the winds of adversity god warns his children that they will have trouble and hardships in life jn 16 33 niv the fruit birthed out of personal trials enable us to comfort others with the comfort we ourselves have been given through christ facing trials thoughts for meditation is a devotional full of hope encouragement and instruction there are two thought provoking devotions for each of the twenty selected topics every meditation has a scriptural foundation with plenty of ideas for personal contemplation and reflection cheryl zelenka knows what it is to walk through the valley of the shadow of death and live to ascend the mountaintop of god her undiagnosed brain tumor caused clinical depression for nearly ten years ms zelenka challenges each believer to change their negative view of trials and consider them as blessings it is through trials that we deepen our relationship and dependence on god no journey in life is without seasons of tears and sorrow but the son shines in the valley as well as in the desert and mountaintop with each new trial we experience our personal tree of life buds flowers and bears fruit

this is the nation s best selling bible lesson commentary with more than 300 000 copies sold each year the slc contains 53 complete lessons for adults of all ages each eight page lesson includes verse by verse exposition learning activities and discussion starters

live life to the fullest nobody wants to look back on a disappointing unfulfilled life why then are so many of us dissatisfied despite our goals and continual striving in don t miss your life aaron tredway reveals we re aimed at the wrong target success despite our pursuit of something more we are stuck chasing our idea of success instead of true significance but we don t have to be rich or famous to lead a life of meaning in god s kingdom in this practical guide aaron shares his personal discovery of the secret to significance and invites you to live the life god created you for learn to recognize the exhausting emptiness of pursuing success find

liberation from a life without purpose pursue god's glory instead of unrewarding self focus and choose significance over success one step at a time you were made for a meaningful deeply fulfilling life and you can achieve just that

they say that a good book can change your life that's the mindset bernard ruffin took hold of when putting together the build project so often people find themselves stranded and astray from the lives they hoped for or feel like they deserve and once you're lost to the world it's hard to find your way back to the position you want to be in no one should face up against the hardships of the world alone and you don't have to the build project is about providing you with a life plan template that will result in an overall positive change to your experience yes the roots are based in christianity but this book is about so much more through the pages of the build project you will learn the importance of family and personal health while also tackling business and your financial life prayer is a necessary part of many of our lives but with this piece of work bernard ruffin and praypare take a look at why it's important to prepare and pray not one or the other the build project is itself built upon 5 key bricks begin with family making a positive change starts at home and if we can't even reconcile with those to whom we are bonded by blood then how can we ever expect to actualize our own goals and desires understand your ministry this is where we get in touch with our lord and savior and unpack our own relationship with him and the house in which he presides it's vital that we have a comprehensive understanding of how the church impacts our lives and equally important to know how to balance it with every other moving part of being a human implement better health healthy body healthy mind healthy soul these are three core building blocks for a happier more fulfilling life and unsurprisingly they all inform one another ensuring that we feel our best physically mentally and spiritually is key to achieving real progress lead in business this is where you get down to brass tax to begin implementing the teachings in this text with empathy and knowledge of self you will be more capable than ever to tackle the dog eat dog world of business and finance develop a better financial life life does not begin and end with money but without it there's not much good we can do for the kingdom taking everything you've learned from the project so far and using it to secure a more stable future is the best way to set yourself up for success personally and as a contributor to others

at a time when people's curiosity about the afterlife is stronger than ever pastor frank santora tackles this issue head on delivering cultural scientific philosophical and biblical evidence to unveil the truth about the mysteries of the afterlife from publisher description

u2's ongoing popular appeal is constructed in the spaces between band and fan commercialism and community spirituality and nihilism finding meaning in a surface oriented popular culture and contradiction in the depths of political and faith based institutions the band's long term success and continued relevance is a result of their ability to hold these energies in tension without one subsuming the other to live in the liminal space that such contradictions invite u2's mythic trajectory was born from a bygone electronic era realized in our current digital era but with an eye on the forthcoming virtual era it is a new myth for the whole world found in the most unlikely of places popular culture this book approaches the band's mythic trajectory through a combination of rhetorical analysis and autoethnographic explorations that unveil the more personal experiences most of us have with media drawing heavily upon the works of marshall mcluhan joseph campbell thomas frentz and janice hocker rushing myth fan culture and the popular appeal of liminality in the music of u2 unpacks u2's popular appeal through the lenses of agape spiritual communal love amor romantic love and eros

the doctrine of the trinity confounds many christians because they do not have a proper understanding of this truth they therefore lack the means to make it meaningful in their theology worship and everyday life resurrecting the trinity wants to change this in non academic prose this book explains the fuzziness and apathy surrounding the trinity it provides a fascinating and erudite journey as to how it got this way and then goes on to show how it is the center of everything and how this glorious doctrine exudes with love vitality and richness an expert in historical and systematic theology the author contends that the existence of god as trinity was the central affirmation of the ancient church and the truth from which all other theological understanding flowed however for us western christians both protestant and catholic the trinity has faded into obscurity the light shed by its reality dimmed to the point of nearly flickering out while we still verbally affirm the truth of the trinity for all practical purposes we have lost its meaning and in the process lost the biblical picture of jesus christ as lord of creation as well were we to deny the trinity altogether it is doubtful much would change in our churches on a day to day basis

if god asked your permission before a blessing or hardship how would you answer most would say yes to the blessing and no to the hardship especially if it involved our children thankfully god does not ask rather he gives us the gift of hindsight to look back and say yes to the hardship that made us who we are struggle produces more strengths than weaknesses more courage than fear and more resolve than complacency bookstores are filled with incredible stories of courage and overcoming insurmountable odds no one wants to read about a person who was born went to school made average grades got an average job had an average family and died an average death concluding with an average funeral we probably know lots of people like that but there are no books about them no we want the stories of the average overcomers we want to hear about the men women and families just like ours who have faced their own goliath and won because we want to believe we too can muster the umph to make it through our own difficulties i would have said yes chronicles an average family with above average determination who are blessed by an incomprehensible and awesome god to see extraordinary miracles one day at a time

high school bible teachers often struggle with holding students interest while challenging their young minds for years bible classes have been considered bland shallow and safe the result is that high school students leave school largely unprepared to defend their faith bob van allen s issues in christianity provides a series of lessons designed to address these matters this course explores serious and controversial theology in a way that is accessible to high school juniors and seniors the topics supply a starting point for discussion and are designed to provoke deeper thought understanding and spiritual growth van allen expounds on such topics as tithing dating and end times events including the history surrounding the issue and how it is now viewed by modern day theologians this is not a read and fill in the blank curriculum that leaves the teacher out of the equation teacher involvement is crucial to present the material encourage questions and guide the discussions as students engage in this material they will begin to think and ask questions by the end of this course they will know what they believe and why after delving deep into issues in christianity
