katherine sonderegger follows her monumental volume on the doctrine of god with this second entry of her systematic theology which explores the doctrine of the holy trinity locating her analysis first in the hebrew scriptures sonderegger examines the thrice holy god that is proclaimed to isaiah in the sanctuary and manifested in the sacrifice of the temple the book of leviticus read in conversation with exodus unfolds the doctrine of the trinity under the character of holiness in the one god trinity speaks of the life movement and self offering of god who is the eternal procession of goodness and light in israel s sacrificial covenant the triune god is perfect self offering the eternal descent of the father of lights is the offering who is son eternally received and hallowed in the one who is spirit anchoring the theology of the trinity in israel s scriptures in this way elevates the processions over the persons exploring the mystery of the divine life as holy rational and good the divine persons named in the new testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set in all these ways the holy trinity may be praised as the deep reality of the life of god

this volume begins with an extended discussion of jenson s methodology and addresses questions on the nature of the christian god including the classic christological and trinitarian questions

the opening book in this three volume set it focuses exclusively on the person of god within the grounds of this work are the person of god the authority of scripture and the works of god in our world these topics are becoming more relevant today as people are constantly questioning the person of the father

the triune god together with the forthcoming second volume the works of god develops a compendious statement of christian theology in the tradition of a medieval summa or of such modern works as those of schleiermacher and barth theology as it is understood here is the christian church s continuing discourse concerning her specific communal purpose it is the hermeneutic and critical reflection internal to the church s task of speaking the gospel to the world as message and to god in petition and praise this volume and its successor are thus dedicated to the service of the one church of the creeds it is for no particular denomination or confession the interlocutors of this work s analyses and proposals are drawn from wherever in the ecumenical tradition a question may lead to theologians and traditions ancient medieval or modern eastern or western catholic or protestant

this systematic theology begins from the treatise de deo uno and develops the dogma of the trinity as an expression of divine unicity on which will depend creation christology and ecclesiology the invisible god must be seen and known in the visible in this way god and gods relation to creation are distinguished but not separated from christology the doctrine of perfections from redemption in the end the transcendent beauty who is god can be known only in worship and praise

one of the most important works of christian theology of the 20th century systematic theology provides a comprehensive analysis of the key tenets of the faith drawing on scripture and tradition to develop a comprehensive understanding of the nature of god the role of christ and the beliefs and practices of the church written in clear accessible prose this book is an essential resource for anyone who wants to deepen their understanding of the christian faith this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

in this volume the third and last of his systematic theology paul tillich sets forth his ideas of the meaning of human life the doctrine of the spirit and the church the trinitarian symbols the relation of history to the kingdom of god and the eschatological symbols he handles this subject matter with powerful conceptual ability and intellectual grace the problem of life is ambiguity every process of life has its contrast within itself thus driving man to the quest for unambiguous life or life under the impact of the spiritual presence the spiritual presence conquers the negativities of religion culture and morality and the symbols anticipating eternal life present the answer to the problem of life

the opening book in this three volume set it focuses exclusively on the person of god within the grounds of this work are the person of god the authority of scripture and the works of god in our world these topics are becoming more relevant today as people are constantly questioning the person of the father

rivals the major systematic theologies of this century baptist history and heritage journal july 1996 one of the characteristics of garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials while holding true to the teachings of his own baptist faith garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive consensus 1997 if one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this pastors will especially find this feature to be a real help in teaching theology it is an indispensable contribution to the task of systematic theology journal of the evangelical theological society september 1999 many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world the churchman a journal of anglican theology 1991 a gold mine of helpful material the christian century may 29 june 5 1991 no book that i know is more loaded with biblical and theological facts than this one the prodigious research that must have gone into the preparation of this volume is truly mind boggling faith and mission fall 1991 garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint the work is well documented in both biblical and historical scholarship and will prove to be a classic william hendrickson southern baptist theological seminary one of the most comprehensive concise books of its type available it should receive
