blood sweat and tears an oral history of the american red cross is the story of the modern day red cross told through the voices of twenty nine current and former red cross paid and volunteer staff from all parts of the country the stories range from that of a world war ii veteran who credits the red cross packages with keeping him alive when he was a pow in germany to americans who became heroes simply because they signed up for a red cross course and were later able to save a life to volunteers who spent an intense year in vietnam cheering up soldiers we hear from the staffer who pulled people from an automobile before the medics arrive the mom who saved a neighbor s child when he was drowning the nurse who took off from her job to go half way around the world to distribute food and supplies to victims of the tsunami that struck the day after christmas 2004 book jacket

in making the world safe historian julia irwin offers an insightful account of the american red cross from its founding in 1881 by clara barton to its rise as the government s official voluntary aid agency equally important irwin shows that the story of the red cross is simultaneously a story of how americans first began to see foreign aid as a key element in their relations with the world as the american century dawned more and more americans saw the need to engage in world affairs and to make the world a safer place not by military action but through humanitarian aid it was a time perfectly suited for the rise of the arc irwin shows how the early and vigorous support of william h taft who was honorary president of the arc even as he served as president of the united states gave the red cross invaluable connections with the federal government eventually making it the official agency to administer aid both at home and abroad irwin describes how during world war i the arc grew at an explosive rate and extended its relief work for european civilians into a humanitarian undertaking of massive proportions an effort that was also a major propaganda coup irwin also shows how in the interwar years the arc s mission meshed well with presidential diplomatic styles and how with the coming of world war ii the arc once again grew exponentially becoming a powerful part of government efforts to bring aid to war torn parts of the world the belief in the value of foreign aid remains a central pillar of u s foreign relations making the world safe reveals how this belief took hold in america and the role of the american red cross in promoting it

the report for 1910 contains a report on san francisco relief with a bibliography list of books etc relating to the san francisco earthquake fire and relief work of 1906 prepared by the san francisco public library
