reflections of a mystical sistah on traveling down the road to self definition speaks to the journey of creating and living a self defined and authentic life seven essays interspersed with six affirming

rest stops guide and support readers who are moving into new and uncharted territory in their own lives idara e bassey a corporate attorney turned spiritual seeker and creative spirit draws on her considerable experience and unique perspective to entertain and challenge those who wish to envision new ways of doing and being she presents a broad range of personal growth topics via an engaging alchemy of straightforward narrative and inspired dialogue some of the roads less traveled are the most rewarding of all

conflict is a normal and predictable part of life how we respond to it however determines whether or not the conflict will be destructive mediating interpersonal conflicts is an up to date presentation showing how the techniques of negotiation and mediation can be applied in resolving a wide range of conflicts in families communities schools and workplaces dr umbreit not only clearly outlines the communication negotiation and mediation skills involved in effective resolution of interpersonal conflict he moves the reader beyond the mechanics of mediation to what he calls a journey of the heart through a humanistic mediation model that addresses the emotional context of the conflict

we all feel it the longing for more for adventure and purpose we pursue it when playing golf or hunting or when chasing a business deal we feel it when watching braveheart or gladiator when visiting with good friends or watching our children play somewhere deep down we just know there has to be more and there is your destiny may not be wealth and fame like joseph s was or have global impact like the apostle paul s does but it will be pivotal and have eternal kingdom value you were custom made to fulfill your destiny

do christians need recovery or is recovery something needed by the church itself addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else but because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction christians tend to seek recovery from these conditions in twelve step fellowships once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an aa meeting inspired by his own quest to find in church the sort of mutual support and healing he discovered in twelve step fellowships stephen haynes explores the history of alcoholics anonymous and its relationship to american christianity he shows that while aa eventually separated from the christian parachurch movement out of which it emerged it retained aspects of christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability haynes encourages christians to reclaim these distinctive elements of the twelve step movement in the process of recovering church he argues that this process must begin with he calls step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine

theology has a rich tradition across the african continent and has taken myriad directions since christianity first arrived on its shores this handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the african union written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to african theology subjects addressed include orality and theology indigenous religions and theology patristics pentecostalism liberation theology black theology social justice sexuality and theology environmental theology christology eschatology the hebrew bible and the new testament the routledge handbook of african theology is an authoritative and comprehensive survey of the theological landscape of africa as such it will be a hugely useful volume to any scholar interested in african religious dynamics as well as academics of theology or biblical studies in an african context
