thorough, accurate, reliable, engaging, these are just a few of the words used by adopters and reviewers of John Santrock's *Child Development*, the new, topically organized fourteenth edition. Continues with Santrock's highly contemporary tone and focus, featuring over 1,000 new citations. The popular Connections theme shows students the different aspects of children's development to help them better understand the concepts used by hundreds of thousands of students over thirteen editions. Santrock's proven learning goals system provides a clear roadmap to course mastery.

*Essentials of Life Span Development*, 7e, allows students to study whenever, wherever, and however they choose, regardless of individual study habits, preparation, and approaches to the course. *Essentials* connects with students on a personal, individual basis and provides a road map for success in the course.

Success is in the balance. In the second edition of *Essentials of Psychology*, John Santrock presents the perfect balance of big ideas vs. supporting detail, breadth vs. depth, and research vs. application, all wrapped in a pedagogical system that effectively guides the student through the key concepts of psychology. New learning goals launch each chapter and serve as the organizing mechanism for the text and supporting materials. These learning goals focus students' attention on the big ideas of psychology. Rich applications and current research support the big ideas so that students emerge with an understanding of the key concepts, not a collection of supporting detail. Your success and your students' success is in the balance. Santrock provides you with the balance you need to succeed. The *Essentials* edition was developed to satisfy the demand for a shorter text that could easily be covered in one semester. Chapters were rewritten to maintain the continuity and pedagogy that has made Santrock a student and market favorite. Thinking, language, and intelligence have been

combined to form one cohesive chapter and the health psychology and statistics coverage has been moved into an appendix

this debate style reader is designed to introduce students to current controversies in childhood and society the readings which represent the arguments of leading child behaviorists and social commentators reflect a variety of viewpoints and are presented in pro con format
