examines developments in the churches of east and west in the middle ages explores the theological and spiritual currents spreading from byzantium to the orthodox churches of the north presents the stories of the native eastern churches of egypt ethiopia syria armenia and georgia includes photos and index

this book brings a crucial perspective to the examination of religion and politics in the middle east and north africa mena by focusing on the roles that christian communities play in this region acknowledging and exploring their political activity represents a much needed contribution to the mena literature which overwhelmingly focuses on islam through a collection of country case studies utilizing a variety of analytic methods the contributors to this collection demonstrate how various christian

groups act as rational strategic political actors seeking to protect and promote the interests of their organizations and members the cases explored here elaborate upon how christians in the mena region navigate their minority status and respond to local ideas of citizenship that often relegate them to second class status the chapters also examine how mena churches draw on transnational networks to augment their local political influence this volume is an important work for understanding contemporary politics in the mena region and advances the study of religion's role in politics more generally the chapters in this book were originally published as a special issue of the journal religion state and society

james r payton jr introduces us to eastern orthodox history theology and practice for all readers interested in ancient ecumenical christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy

this book presents the various churches and ecclesial communities in the middle east focusing on the assyrian church of the east the oriental orthodox and the oriental catholic churches the spiritual heritage of the coptic syriac and armenian traditions the christians in the middle east can be called a church of martyrs listening to witnesses of faith in the first centuries as well as to the martyrs of our time this book reveals the cruel reality of the forgotten genocides at the beginning of the twentieth century the author discusses the role of christians in the middle east as bridge builders and emphasizes the importance of a historical perspective in order to understand better the crisis in the middle east the search for the underlying cause of terrorist attacks a plea for a spirituality of encounter a growth in openness and a deepening of christian identity finally he reflects on the responsibility of the west and expresses the firm hope and expectation that there is still a future for the christians in the middle east a new dawn

essays on the juridical status of oriental churches especially in relation to islam

this volume contains a series of legends gathered by the author during travels in the near east during the mid 1850 the reader will find it both eastern and amusing

this second volume on eastern christian spirituality amplifies in depth the final two chapters of the earlier the spirituality of the christian east a systematic handbook like cassian in writing his conferences cardinal spidla k does not advocate any particular pattern of prayer but sets out faithfully to collect and share the teachings of generations of eastern monks and spiritual writers

mavrogordato and gaselee's collection of tales from the christian east offers a fascinating glimpse into the exotic and mysterious worlds of byzantium arabia and persia with tales ranging from the miraculous to the macabre this book is sure to captivate readers of all ages this work has been selected by scholars as being culturally important and is part of the knowledge base of
