mar 30 2023 i believe ypid would be a yellow pages id and therefore unique to that provider however if you are adding business profiles you should reach out to bing places and they can

it will highlight any instance where ypid is within the code you can grab the yn873 number and plug it into the generic bing maps url which i have in red below then add that url to the location

track one or multiple packages with ups tracking use your tracking number to track the status of your package

aug 8 2024 bing maps similar to google maps allows you to browse local places all around the world it is rich with data such as reviews operating hours business phone numbers business

using the task get advanced and live advanced endpoints of bing serp api you will find the following serp elements organic results

hi azcona14 i will test it and tell you if it works

parameter defines the unique reference to a place on a bing map place ids are available for most locations including businesses landmarks parks and intersections you can find the place id using

mar 28 2023 in this blog post we ll go through the process of extracting all the data that appears in bing organic search results using the bing search engine results api and other apis contained in

a graph representing ypid s contributions from january 26 2025 to january 31 2026 the contributions are 37 commits 36 pull requests 16 code review 11 issues
