a leading name in anthropology conrad philip kottak continues to define student learning in the cultural anthropology course cultural anthropology offers an up to date holistic introduction to general anthropology from the four field perspective key themes of appreciating the experiences students bring to the classroom appreciating human diversity and appreciating the field of anthropology are showcased throughout the text focusing on an increasingly interconnected world the new focus on globalization essays examine topics as diverse as tourism in the ancient and modern worlds global disease pandemics world events including the olympics and the world cup and the expansion of international finance and branding

academic curricula are being strengthened and enriched through the enlightened realization that no discipline is complete unto itself in the interdisciplinary studies that result the one theme that remains universal is popular culture academia throughout the

disciplines is rapidly coming to understand that it should be used in courses campus wide and on all levels all in the world of education benefit from the use of the cultures around them this work emphasizes the need for interdisciplinary mingling and explores the ways in which instructors can utilize popular culture studies in order to deepen both their own areas of specialization and their students appreciation of education the collection of 18 essays spans campus curricula including the humanities english literature american studies folklore and popular culture the social sciences anthropology history sociology and communications religion and philosophy geography women s studies economics and sports also addressed is the importance of popular culture courses in both community colleges and high school settings

this insightful book introduces the most important trends people events and products of popular culture in latin america and the caribbean in recent times latin american influences have permeated american culture through music movies television and literature this sweeping volume serves as a ready reference guide to pop culture in central america south america and the caribbean focusing on mexico brazil venezuela argentina haiti cuba the dominican republic jamaica and costa rica among other areas the work encourages hands on engagement with the popular culture in these places making such suggestions as brazilian films to rent or where to find venezuelan music on the internet to start the book covers various perspectives and issues of these regions including the influence of the united states how the idea of machismo reflects on the portrayal of women in these societies and the representation of latino caribo cultures in film and other mediums entries cover key trends people events and products from the beginning of the 20th century to the present day each section gives detailed information and profound insights into some of the more academic and often controversial debates on the subject while the inclusion of the internet social media and video games make the book timely and relevant

a companion to popular culture is a landmark survey of contemporary research in popular culture studies that offers a comprehensive and engaging introduction to the field includes over two dozen essays covering the spectrum of popular culture studies from food to folklore and from tv to technology features contributions from established and up and coming scholars from a range of disciplines offers a detailed history of the study of popular culture balances new perspectives on the politics of culture with in depth analysis of topics at the forefront of popular culture studies

this book elucidates findings from an anthropological study that analyzes the patterns of taiwan s atayal tribe s fabric in their ethnic dress codes by analyzing the changes and development of the patterns over time the authors draw fascinating conclusions regarding the geographical migration and intermarriage practices between indigenous minority groups in taiwan s history the book brings new insights within east asian linguistic anthropology in theorizing about the origins of legends and broader patterns of ethnic migration integrating the characteristics and relationships among atayal fabrics and interpreting these relationships in connection with the flow of sub ethnic groups in doing so the book provides rich empirical evidence for anthropologists and migration scholars to

better understand the movement of ethnic groups in taiwan while also establishing a model for how studying textile design can be employed to establish such linkages the book shows that the composition and changes of ethnic minority patterns have their own internal logic and causes by studying this the authors demonstrate how such work might translate intangible and tangible culture into explicit and shareable knowledge and provide a compass for other anthropologists and researchers in the fields of visual and linguistic anthropology migration studies and ethnic and indigenous cultures in asia and beyond

this newly published book african culture is not to blame western culture is to blame written by dr p e aligwekwe has a very important message both for the west and for africa but most particularly for the west the book is a very audacious speaking out of a biting truth avoided or minimized by the guilty sidetracked by the nonchalant purposely misrepresented by the addict or distorted by the agnostic and arrogant the book s realism is an asset to knowing for certain where the source of our contemporary sexual moral decadence and the very much needed solution really lie learn in it something about the main causes and bases of priest clergy sexual abuse that is nowadays the general topic of the day learn more about the origin and main causes of homosexuality in humans and also about prostitution abortion and other the main social topics of our day surely you will want to read this exiting book and pass it on to whomever you care for family friend or colleague besides you will bring its substance to the knowledge of as many members of the society as possible the author s previous book titled the continuity of traditional values in the african society the igbo of nigeria a book rightly qualified as a valuable tertiary institution anthropology text or reference book published 2008 is equally available in the bookstore of the same publishers

a leading name in anthropology conrad philip kottak continues to define student learning in the cultural anthropology course cultural anthropology offers an up to date holistic introduction to anthropology from the four field perspective key themes of appreciating the experiences students bring to the classroom appreciating human diversity and appreciating the field of anthropology are showcased throughout the text the program presents anthropology s core concepts and also demonstrates anthropology s relevance to the 21st century world we inhabit revisions to the 18th edition of cultural anthropology were extensively informed by student data collected anonymously by mcgraw hill s adaptive learning system connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective
