new york is a city of few boundaries a city of well known streets and blocks that ramble on and on into our literature dreams and nightmares we know the city by the byways that split it streets like broadway and madison and flatbush and delancey from those streets peering down the blocks and up at the top floors the city seems immense and endless and though the land itself may end at the water the city does not long before broadway was a muddy cart track the water was the city s most distinguishing feature the rivers the only byways of importance some people like william kornblum still see the city as an urban archipelago shaped by the water and the people who have sailed it for goods money pirate s loot and freedom for them the city will always be an island william kornblum new york city native longtime sailor urban sociologist and first time author has spent decades plying the waterways of the city in his ancient catboat tradition in at sea in the city he takes the reader along as he sails through his hometown lovingly retelling the history of the city s waterfront and maritime culture and the stories of the men and women who made the water their own in at sea in the city and in kornblum s own humility humor and sense of wonder one detects echoes of e b white john mcphee and joseph mitchell

cities are staging more events than ever within this macro trend there is another less acknowledged trend more events are being staged in public spaces some events have always been staged in parks streets and squares but in recent years events have been taken out of traditional venues and staged in prominent urban spaces this is favoured by organisers seeking more memorable and more spectacular events but also by authorities who want to animate urban space and make it more visible this book explains these trends and outlines the implications for public spaces events play a positive role in our cities but turning public spaces into venues is often controversial events can denigrate as well as animate city space they are part of the commercialisation privatisation and securitisation of public space noted by commentators in recent years the book focuses on examples from london in particular but it also covers a range of other cities from the developed world events at different scales are addressed and there is dedicated coverage of sports events and cultural events this topical and timely volume provides valuable material for higher level students researchers and academics from events studies urban studies and development studies

elana shohamy is a professor and chair of the language education program at the school of education tel aviv university where she teaches researches and writes about multiple issues relating to multilingualism language policy language testing and language in the public space

historic urban landscape is a new approach to urban heritage management promoted by unesco and currently one of the most debated issues in the international preservation community however few conservation practitioners have a clear understanding of what it entails and more importantly what it can achieve examples drawn from urban heritage sites worldwide from timbuktu to liverpool richly illustrated with colour photographs addresses key issues and best practice for urban conservation

local historian margery blair perkins 1907 1981 provides a detailed narrative charting the growth and development of the north shore city of evanston illinois a place boasting a rich and multi layered history perkins brings the citys past to life through stories of its residents architecture and growth over the years she charts the development of the city from its earliest days when it was known as the settlement of grosse pointe and later ridgeville to its modern manifestation as a bustling city just outside of chicago within a larger historical narrative perkins provides biographies of noted residents as she documents the evolution of the citys organizations cultural life and institutions such as northwestern university
