catalogue of the public record office the national archive of the united kingdom with over 9
million files includes archives of central government courts of law and other national bodies
search options include guided search index search and catalogue reference

an official history of the public records office this text covers the period from the office's
foundation in 1838 through to the Grigg report of 1954 Cantwell served at the office and he
examines its relationship with important political figures such as Disraeli Gladstone and
Churchill

includes calendars catalogues and indexes of records issued as appendices

this text provides a concise thematic introduction to the evolution of British defence policy
since the end of the second world war

this book offers a comparative analysis of British army unit war diaries in the two world wars
to reveal the role played by previously unnoticed technologies in shaping the archival records
of war despite thriving scholarship on the history of war the history of operational record
keeping in the British army remains unexplored since world war I the British army has
maintained daily records of its operations these records unit war diaries are the first official
draft of events on the battlefield they are vital for the army's operational effectiveness and
fundamental to the histories of British conflict yet the material history of their own production
and development has been widely ignored this book is the first to consider unit war diaries
as mediated material artefacts with their own history through a unique comparative analysis
of the unit war diaries of the first and second world wars this book uncovers the mediated

processes involved in the practice of operational reporting and reveals how hidden technologies and ideologies have shaped the official record of warfare tracking the records into the national archives in kew where they are now held the book interrogates how they are re presented and re interpreted through the archive it investigates how the individuals institutions and technologies involved in the production and uses of unit diaries from battlefield to archive have influenced how modern war is understood and more importantly waged this book will be of much interest to students of media and communication studies military history archive studies and british history

about three weeks after japanese troops captured nanjing when the worst of the atrocities was over american diplomats were allowed to return to the city to re open their embassy on january 6 1938 three days later british and german diplomats arrived by hms cricket on january 9 since their arrival the diplomats continuously dispatched cables reports and documents reporting conditions in the city including japanese atrocities reign of terror economic situation living conditions and other aspects of social life these diplomatic records prove to be a treasure trove of invaluable primary source material for research and study on the nanjing massacre from unique perspectives a dark page in history is a collection of british diplomatic documents royal navy reports of proceedings and us naval intelligence weekly reports the collection is invaluable as these newly unearthed primary source materials undoubtedly enhance our knowledge and understanding of the scope and depth of the nanjing massacre in addition to updated and newly added annotations included in this new edition are six maps along with appendices consisting of uss oahu december 1937 log book and a report by frank pruit lockhart us consul general at shanghai transmitting 13 photos of japanese atrocities on september 16 1938
