love such a deceptively simple and popular little word it is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is there are few greater subjects in christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully patrick mitchel s conviction is that christians need to be thinking about and practising love in compelling and authentic ways our task is not only to articulate what love is but also to show to the world what true christian love looks like in practice the only thing that counts is faith expressing itself through love gal 5 6 niv mitchel s exposition explores love in the old testament how the love of god is supremely revealed in the mission and death of jesus christ love in the life and teaching of jesus and the church s calling to be a community of love he helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the bible s teaching on love with a fully integrated study guide suitable for both individuals and groups the message of love will help you to see how the bible s unified teaching on this vital theme can impact your life today

christians use the word love all the time but often have no idea what it means

one philosopher said that love is what the world needs now another pointed out that it is a battlefield some will say that it is all you need and others will ask what it has to do with it one compares it to a river a razor or a rose another declares that it hurts and even that it stinks we are obsessed with love love stories work their way into nearly every movie play book and fairy tale however when the bible portrays love it defines it as a reality that is rooted in the very character of god which means that all other thoughts on the matter can only be true insofar as they are in keeping with love as it is revealed by god while so many will spend their lives looking anywhere but the source of true love the truth is not hidden from view this study is designed to be done individually or with a group the goal is to understand the amazing love of god and find where we have been allowing the world to define a word that can only ever truly be known by knowing the one who alone is love

i ll show you the definition of true love according to the bible it may not be what you think it is imagine that god is real i believe this and imagine just for a second that we all live according to his guidelines imagine we re now living in paradise how good is that we are loving each other the way we would like to be loved ourselves we have peace and not just peace of mind but real peace in the world everyone has shelter clothes and enough wholesome food to share around doesn t this sound wonderful god s people know how to do this look at the charitable christian organisations around the world to see that when god s rules are followed there is abundance where i live the 2nd hand shops run by christian organisations such as vinnies salvation army and our red cross shop overflow with good quality donated clothes and furniture for minimal prices victory church sells hampers for 35 which provides food for a family of 4 for a whole week wecare2 offers groceries for people with limited budgets centacare blue care uniting care provide all kinds of services at minimal or no cost to the aged disabled and disadvantaged and i can go on and on these organisations are only a few of many in my town and show us that christians know how their heavenly father wants them to love each other does this love also manifest in our private lives with our own family and friends do we know how to and actively love our father back jesus a real person the son of god came to save humanity from itself god healed me written by mimi emmanuel has been listed in the top 100 books in various categories since it launched in may 2016 it was called a very inspiring book full of wisdom and enlightenment and this book is incredibly good and you so beautifully present the power of our living god what is true love according to the bible is the 2nd book in the truth love god series this series came about after mimi realised that the jesus stories told by her mum were true as in jesus was not just a mythical figure but a real person the son of god who had come down to earth to save humanity from itself this book looks into the truth about god and jesus love for humanity and how we are reciprocating and how few of us ever respond in kind what is true love according to the bible is based on decades of bible study and introspection the book is an easy and quick one and a half hour read for the average reader in addition there are seventy pages hundreds of scriptural references related to true love according to the bible the word love is mentioned 686 times in the bible many christians seem to think that the bible is all about salvation i agree that jesus came down to earth to save us from ourselves however the main theme throughout the bible is about how our heavenly father would like us to love him and love each other the word love and variants thereof are mentioned 442 times in the king james bible 545 times in the amplified bible and 686 times in the new international version that s a lot of times this is in contrast to the word salvation which is only mentioned 158 times in the king james bible 329 in the amplified bible and 114 times in the new international version salvation comes about because of the love shown to us unreciprocated love cannot flourish we all know that yet many believers think that grace will rain down from heaven no matter what our father sent his son and jesus gave his life so that we may be saved do we really think that just a thank you is enough read alongside mimi to discover how god s holy word spells out to us that true love requires obedience and our father tells us exactly how to don t obey fellow christians or your church listen to him purchase the paper copy and get the kindle free start reading today download this book no
