the hidden history of south africa s book and reading cultures shows how the common practice of reading can illuminate the social and political history of a culture this ground breaking study reveals resistance strategies in the reading and writing practices of south africans strategies that have been hidden until now for political reasons relating to the country s liberation struggles by looking to records from a slave lodge women s associations army education units universities courts libraries prison departments and political groups archie dick exposes the key works of fiction and non fiction magazines and newspapers that were read and discussed by political activists and prisoners uncovering the book and library schemes that elites used to regulate reading dick exposes incidences of intellectual fraud book theft censorship and book burning through this innovative methodology dick aptly shows how south african readers used reading and books to resist unjust regimes and build community across south africa s class and racial barriers

this book presents an analysis of climate change and agricultural laws in kenya nigeria and south africa in order to determine whether they adequately addressed the concept of agricultural adaptation agriculture is one of the sectors of the economy that is contributing to climate change and at the same time the sector is heavily impacted by climate change therefore agricultural adaptation is required focusing on three countries this book provides a novel comparative examination of how and to what extent the law promotes agriculture focused adaptation in these countries the role of the law in addressing issues such as water management strategies soil conservation methods and crop production methods is discussed this book identifies gaps in the regulatory frameworks for agricultural adaptation and highlights the lack of adaptive capacity of african agriculture due to weak or non existing legal frameworks it discusses ways to remedy these gaps through specific on farm adaptation strategies legislative amendments to consolidate all relevant national climate change related policies and laws with agricultural policies and laws that have relevant provisions on adaptation as medium term solutions and the development of a specific framework law for agriculture focused adaptation incorporating essential agricultural adaptation strategies could perhaps be enacted as long term solutions to the regulatory gaps this book will be of great interest to students and scholars of law climate change food and

agriculture sustainable development and african studies

africa a continent of exhilarating adventure fascinating cultures and extraordinary wildlife and landscapes where just one experience will never quite articulate the magic of the place herds of wild animals crossing acacia dotted plains remote cultures that time seems to have forgotten the monumental vestiges of crumbled empires as well as the dire realities of war disease and famine africa is all this and much more from cape town's gleaming shopping arcades to the remote tribal settlements on lake turkana's shores the africa book draws together a definitive collection of the sights sounds and tastes of this spellbinding continent here's how to start open at any page and begin your own journey float down the Nile in a felucca visit the mountain gorillas of Rwanda catch mbalax fever on Dakar's glittering dance floors relax under the palms on Zanzibar's powdery white beaches let Lonely Planet's photographers authors and travelers lead you through five regions 54 countries and inspire you to embark on the journey of your life

vols 13-62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869-1908 v 38-62 include abridged annual reports of the Society's executive committee 1883-84 1907-1908

the report begins with an overview of the challenges on agricultural systems to make more food available and accessible and lays out the potential of irrigation to make agriculture more productive efficient and profitable for smallholder farmers a discussion on the potential to expand irrigation across Africa and barriers to uptake including an analysis of the inherent risks and desired outcomes of irrigation forms the next section the report reviews the traditional and new innovative smallscale and large scale irrigation approaches and technologies that have been implemented in Africa followed by an analysis of the experiences of six African countries that have been particularly innovative and successful in terms of their institutional and policy design for irrigation the report closes by drawing some key lessons and offering nine recommendations for actions by African governments and the private sector
