this book charts and analyses the emergence of the conventional representation of the french events of 1968 and argues that the dominance of this narrative despite its limitations stems from the convenience that such a consensus provides for those that have been pivotal in shaping the collective memory of this critical moment in recent history

in imagining europe chiara bottici and benoît challand explore the formation of modern european identity europe has not always been there although we have been imagining it for quite some time even after the birth of a polity called the european union the meaning of europe remained a very much contested topic what is europe what are its boundaries is there a specific european identity or is the eu just the name for a group of institutions this book answers these questions showing that in europe s formation myth and memory although distinct are often merged in a common attempt to construct an identity for its present and its future in a time when europe is facing an existential crisis when its meaning is being questioned imagining europe explores a vital and often unacknowledged aspect of the european

L'histoire des sciences de l'homme se développe en France à la croisée des disciplines de la philosophie et de l'histoire intellectuelle. Interrogations douteuses éthiques, réformisme politique suscitent une réflexion épistémologique. Il s'agit de comprendre quelle est la place de la science dans le monde moderne. Les différents intervenants s'interrogent sur la périodisation, les usages historiographiques dans les disciplines, les tendances actuelles de l'épistémologie, le rapport conflictuel des sciences humaines aux savoirs qui les bordent.

Sous quelles formes les questions de genre sont-elles portées par la création iconographique et cinématographique ? Comment peut-on revisiter les grandes productions d'images à l'aune des études de genre ? De quels outils se sont munis les artistes mais aussi les institutions afin de rendre compte dans des contextes idéologiques souvent normatifs voire hostiles des enjeux identitaires et politiques touchant au plus intime ? Telles sont quelques-unes des interrogations auxquelles ont répondu les spécialistes de l'image fixe et en mouvement dont les études sont réunies dans ce volume en reconsidérant l'image et son histoire au prisme du genre en renouvelant les approches esthétiques et sociologiques. Leurs analyses rendent compte de la vivacité des débats que suscitent les études de genre dès lors qu'elles sont mises en image.

recueil de contributions sur les rapports entre religion et éducation des lumières à l'aube du <sup>xx</sup>e siècle dans un contexte essentiellement chrétien et français. Une place particulière est consacrée à l'histoire du collège Stanislas de Paris.
