desde los saberes positivos de la filología y de la cultura clásica donde toma impulso la reputación de rodríguez adrados se eleva al trazado de una filosofía de la historia vertebrada por una idea central la antigua grecia supone un antes y un después en el devenir de la historia un acervo cultural que se irradia hasta nuestros días pero cuáles fueron los valores que introdujeron los griegos si bien el nacimiento del individuo fue lo que posibilitó la libertad y la vida política la noción de desarrollo o el florecimiento del arte y la ciencia también dejó una puerta abierta a ciertos peligros rodríguez adrados culmina su bagaje intelectual en un recorrido que arranca en los primeros pasos del homo sapiens en África que nos lleva a la creación de las grandes culturas a través de europa y el resto del mundo para brindarnos una amplia perspectiva del pasado una explicación del presente y una brillante especulación sobre el futuro

setting out the historical national and religious characteristics of the italians as they impact on the integration within the european union this study makes note of the two characteristics that have an adverse effect on italian national identity cleavages between north and south and the dominant role of family it discusses how for italians family loyalty is

stronger than any other allegiance including feelings towards their country their nation or the eu due to such subnational allegiances and values this book notes that italian civic society is weaker and engagement at the grass roots is less robust than one finds in other democracies leaving politics in italy largely in the hands of political parties the work concludes by noting that eu membership however provides no magic bullet for italy it cannot change internal cleavages the italian worldview and family values or the country s mafia dominated power matrix and as a result the underlying absence of fidelity to a shared polity italian or european leave the country as ungovernable as ever
