heinemann advanced shakespeare is focused on preparing students for their a level courses including notes end of act activities and tips from an a level chief examiner the text aims to help students to develop their own responses while fully preparing them for the demands of their courses

this book explores the development of familial discourse within a chronological frame commencing with the more family and concluding with the cavendish group it explores the way in which the support of family groups enabled women to participate in literary production whilst closeting them within a form of writing that encompassed style or theme

a classified catalogue of papers from archaeologia aeliana 1813 1913 is included in the centenary volume ser 3 v 10 p 334 376

this book takes a fresh look at the most famous treason case in english history a complex tale of treachery suspicion rebellion and retribution the author shows how starting with the most slender of leads the jacobean government built up a full picture of the conspiracy and tracked down the guilty men

and brought them to justice the story does not end with the bloody executions of guy fawkes and his fellow conspirators in 1606 for the first time in a book on the gunpowder treason the author investigates in depth the role in the plot played by the ninth earl of northumberland seen by many as the plotters logical choice for a protector of the realm after blast who was imprisoned in the tower for sixteen years on suspicion of complicity by examining the earl s political career in the years around 1605 the author shows how the government investigations though shedding much light on the plot never revealed the whole truth the author cuts through the distortions of centuries of political and religious propaganda to explain the real motives of the gunpowder plotters the author disposes of the conspiracy theory which holds that the king s chief minister robert cecil earl of salisbury framed the conspirators for his own political purposes and sheds considerable light on the workings of early jacobean government particularly the privy council this book should appeal to anyone interested in english history as well as historians and students of seventeenth century england

in the great lord burghley a study in elizabethan statecraft martin a s hume delivers a comprehensive examination of the political acumen and administrative innovations of william cecil lord burghley who served as the chief advisor to queen elizabeth i this scholarly work utilizes extensive primary sources to elucidate burghley s strategic maneuvers amidst the turbulent political landscape of the late 16th century hume s meticulous analysis highlights the intricate balance of power diplomacy and espionage that characterized elizabethan governance encapsulating burghley s remarkable ability to navigate court politics while shaping the very fabric of english statecraft during a pivotal era the literary style is characterized by clarity and precision making complex historical themes accessible to both scholars and general readers alike martin a s hume was a distinguished historian and writer known for his deep insights into the elizabethan period and its key figures his background in historical research and his interest in the intricacies of tudor politics has equipped him with the tools to dissect burghley s enduring influence on english history hume s thorough familiarity with the archival records coupled with his passion for unraveling historical narratives provides the foundation for this rich study this book is essential reading for anyone interested in the elizabethan era renaissance statecraft or the critical interplay between power and governance hume s engaging narrative not only informs but also invites reflection on the significance of lord burghley s contributions to the political landscape of

england readers will emerge with a profound appreciation for both burghley s legacy and the complexities of elizabethan politics

reproduction of the original the great lord burghley by martin a s hume

in 1588 the spanish jesuit pedro de ribadeneyra published a history of the english reformation which he continued to revise until his death in 1611 spencer j weinreich s translation is the first english edition of the history one fully alive to its metamorphoses over two decades weinreich s introduction explores the text s many dimensions propaganda for the spanish armada anti protestant polemic jesuit hagiography consolation amid tribulation and assesses ribadeneyra as a historian the extensive annotations anchor ribadeneyra s narrative in the historical record and reconstruct his sources methods and revisions the history long derided as mere propaganda emerges as remarkable evidence of the centrality of historiography to the intellectual theological and political battles of early modern europe
